Circa distinctionem primam quarti
queritur utrum sacramenta nove
illa que sacramenta nove
legis sunt causativa
gratie habent aliquam spiritualem vir-
tutem ipsis sacramentis inherentem qua [illegible]
possint agere. Arguitur primo quod
non. Nulla sunt sacramenta nove legis
[illegible] gratia et omnis [illegible]
[illegible] sit [illegible] per sacramentum
[illegible] sed per solam fidem et observa-
tiam mandatorum sunt propterea
hoc sunt salvandi. Item sit pote-
rat qui in lege scripta igitur tot
sacramentorum institutio [illegible]
[illegible] igitur non videtur quod deus in-
stituerit aliquot sacramenta. Secundo
sacramenta non sunt causativa gratie. [illegible]
[illegible] quia omnis [illegible]
non recipit [illegible] peccatorum sed [illegible]
[illegible] recipit sacramentum [illegible]
sunt [illegible] patet
[illegible] Tertio Nulla virtus
spiritualis potest inherere sacramentis
[illegible] et gratia et
[illegible] ut [illegible] virtus creata
[illegible] sacramento sit in alio
ut non. Sed primum [illegible] quod est
superfluum ponere tot sacramenta
[illegible] unum sufficit. Consequentia [illegible]
[illegible] virtus creata [illegible] deus potest
[illegible] ut creature a deo [illegible]
Sed primum [illegible] subiectum sunt importa-
[illegible] virtutem et non est
[illegible] Sed [illegible] non [illegible]
nabile [illegible] sit subito
[illegible] sed [illegible] ratione
[illegible] patet [illegible] directe
Sacramenta nove legis et veteris [illegible]
[illegible] permittebant
[illegible] et [illegible] sa-
lutem. Sed non apparet quomodo de-
rent salutem nisi essent causativa
gratie, quia sunt spirituali virtute carere
non possunt. In ista questione videndum
est de tribus. Primo de diffinitione sacramenti
et sacramentorum institutione. Secundo de [illegible]
[illegible]. Et tertio de efficacia sacramentorum
[illegible] et ad hoc mo-
vebuntur aliqua dubia. Quantum
ad primum sciendum quod sacramentum [illegible]
[illegible] quod sit sanctio et
dicitur [illegible] sacrum secretum et [illegible]
sacramentum [illegible]
et primo non [illegible] sed sit
[illegible]
libris [illegible] adhuc [illegible]
ut [illegible] signum [illegible]
illud quod sacramentum [illegible] sensibile
[illegible] speciali institutione significa-
tivum [illegible] hominis. Et hec
diffinitio [illegible] tam sacramento nove quam veteris
legis [illegible] legis nature quod habebat
[illegible] ut est sacramentum [illegible]
illo [illegible] sacramentum [illegible]
[illegible] Secundo accipitur sacramentum [illegible]
[illegible] sacramentum nove legis et forte
[illegible] videbit [illegible]
[illegible] Prima est Gre-
gorii in registro. Sacramentum est quo
sub tegumento rerum sensibilium
virtus divina operatur secretius salu-
tem aliorum. Secunda est Hugonis
de sacramentis. Sacramentum est elementum
[illegible] suppositum et [illegible]
institutione significans [illegible]
conferens. Tertia est magistri in littera.
Sacramentum est invisibilis gratie visibilis
forma, ut eius similitudinem gerat
et causa existat. Quarta est
doctoris subtilis. Sacramentum est signum

nature quanto igitur natura perfectior erat tanto perfectiora remedia adhiberi debuit. Conueniens fuit in tempore legis nature quod tempus illud multum distabat a tempore gratie fuerunt aliqua sacramenta minus efficacia. Sed tempore abrahe et omni legis scripture successerunt perfectiora sacramenta legalia et potissime circumcisio et tempore perfectissime fuit data sacramenta legis noue. Circa primum non primo abrahe fuit datum remedium sed etiam in principio temporis institutum fuit aliquod sacramentum contra originale peccatum patet quia secundum magistrum extra propter generationis predicte et eius expeditum unde Richardus dicit in quarto distinctione prima questione quarta libro primo de sacramentis parte xi ca. 10 3o in lege nature fuerunt sacramenta quedam scilicet decimationes oblationes et sacrificia que fuerunt adeo instituta tempore legis nature et non tam ad significandum rem sacram propheticam futuram et tunc sacramenta uoluntaria quod hominibus fuerunt. Quia in tempore illo erat fides nostra et illis in fide saluati sunt et extra fidem et credere non ipsi quod deus erat creator remunerator et redemptor peccati quibus reuelatum erat reddidit in explicite. Alii uero implicite in fide perfectorum ut in quarto dictum fuit. Unde ergo hominibus reddidit ista credere debebant ut id signis corporalibus manifestarent scilicet istis sacrificiis sacramentorum corporibus quibus sensibiliter protestabantur. Tria scilicet redemptorem et quod peccatis homo indiget significatur per decimationes redimendi. Significabatur per oblationes primum uero per sacrificium in quo erat sanguinis effusio. Et dicit Richardus demum dicta omnia quod per oblationem significabatur

deus omnium creator per sacrificia redemptor per decimas remunerator. Secundo modo oportet ut esset aliquid contra peccatum originale. Peccatum in tempore legis nature non sufficit fides habitualis sed fides actualis cum professione. Sicut qua parentes protestabantur per illud uitium ea que exteriora expetebant et hanc professionem dicunt esse fieri non tamen exterius signo corporali uel applicare non obligatione determinate ut aqua hoc dicunt. Unde ipsi et quod non fuit aliquod sacramentum institutum ad hoc sed fides cum quo ab illo sufficiebat et in sacrificiis non fuit aliquod speciale institutum sed suffecerit cuique determinatum et sic per illud uti ex sacrificiis et oblationibus abel et chaim Gen. 4o qui obtulerunt fruges et animalia. Ex oblatione noe Gen. 8 quod obtulit eadem animalia. Ex oblatione melchisedech qui obtulit panem et uinum Gen. 14. Ex oblatione abrahe quod obtulit arietem [illegible] et isti sanctificat se in talibus. Gregorius quarto moralium dicit quod a aceribus uitia fuit uirtus sacrificii. Et quod dicit Gregorius quod proficiunt sufficit fides sola intelligitur quod fides parentum ita quod non requirebat fides propria paruulorum sic in adultis sed requirebat ut professio fidei signum aliquod. Ad dicendum quod non requirebatur in uno aliquo illorum ad delendam originalem sicut in adultis sed in paruulis sed tantum paruulis sufficiebat professio fidei etiam informis sed in quarto fiet signo exteriori sed non ut tamen interiori actu cordis dum tamen

b et non requireret professiones

fieret exemplo pro paruulis uel alibi quod gereret uicem paruuli et haberet respectum ad paruulum. Ad paruulum quod in adultis sufficiebat propria professio fidei interne et externa mentis et oris quod fuit uitia ad illos [illegible] actuale et ita dicunt circumcisio sacrificio non sufficit quod sequebatur sufficit uolle si aliquid offerebat et aliis cum dicit Hugo quod quotiens sacrificium curabat ad corpus sicut ergo uita exteriori sacramentalia non fuerunt uitia ad delendam culpam sed gratia et hec unde uolle. Hugo uero dicit quod sola fides sufficit primum. Et Hugo dicit quod sacramenta primi temporis magis ad deuotionem fuerunt proposita quod ad obtinendum salutem indicata tamen in quarto ad sacrificium sacramenta ut dictum fuit. Ubi et hec opinio fuit bone re. Circa secundum sacramenta non fuerunt perfectiora sacramenta legis nature uel aliis legis scripte patet ex probatione quarto quia tamen a tempore perfectiori perfectiora remedia adhibere conueniens fuit sed tempus gratie hoc. Tertium sacramenta noue legis tamen fuerunt perfectiora quia statim corpus deuotionis custodes post mortem templi ad celum euolauit quod non poterant facere sacramenta prioris temporis quia ianua regni per clausa fuit donec ista sacramenta uirtutem acceperunt a christi passione non solum prius facta sed exhibita. Tamen sacramenta predicta conferebant gratiam ratione operis operati propter hoc quod ipsa excepta circumcisione fuerunt instituta solum ad figurandum christi passionem et passa tamen circa et sic ad efficiendum aliquod non tamen corporis exterioris uel

soluendo a debito reatus culpabili uel pena temporali ut baptisma et contra etiam ipsa non iustificabant conferendo gratiam de per se. Sed sacramenta non legis conferunt gratiam ex ratione operis operati uel quoniam primo fuit instituta a deo et non solum ad significandum uel sicut priora aliqua sacramenta conferebant gratiam ut dicit [illegible] denominationem tamen ista habere conferebant quia sacramenta non legis et non operis operantis sed operatum dicitur nisi sicut in ponimus sacramenta debite applicatum cum debita intentione et forma uerborum. Sed opus operantis dicitur ipse minister ut medium inter ministrum uel suscipientem sacramentum. Circa tertium quod sunt sacramenta tempore legis gratie completa quam tempore legis nature hoc tamen multa pluraque salubria multa fuerunt hominibus et tunc. Prima probatur patet quod non sunt sacramenta aliqua ad salutem omnia quibus tempore legis nature homines non astringebantur et non sunt completa quam tempore legis nature ut creditur patet prima. Secunda probatur patet quod per hoc non sunt sacramenta multiplicia uel nec et defectus omnes multum salubria et completa remedia per ut habebat contra demum secundo perfectorum. Contra quinta partem questionis propter uariis quoniam statu homo indiget contra peccatum indiget sacramentum in statu innocentie homo indiguit gratia primo et quarto patet quod contra conferret homo corpora sacramenta habere patet quod non obstante homines innocentia numquam potuisset homo consequi beatitudinem sine gratia. Contra ratione partem articulum [illegible] in morte et post dignitas dicit et quod potuit nobis non aqua baptismi homo exigit

cepit vetere ut pro primitiis
sola fides ut premissum est aliquibus
sacrificiis in statu nature non
fuit aliquod sacramentum. Secundo sacramentum

adeoque sanctificatorum vera de te

Ex quo sequitur quod sacramenta non le-

virtutem elementi ut diximus ante
eo ut per ministrum ut ab ipso spiritus
intendens patet quod ea significant sa-
cramenta sola virtus divina sine
operatione qua adiuvat [illegible]

torum sententia praeallegata tertio
Ex quo sequitur alterum quod sacramenta

[illegible] ad aliquem effectum
[illegible] productivum admittitur
gratie requisitum patet quod [illegible]
effectus recipit admittitur
gratie nisi debitam applicationem
sacramenti ut dictum est. Item
ait sit Thomas dictus quod
illius effectus ornatum

strumenta divina virtute sed hoc effectus
quartus karacteris vel ornatus est
forma supernaturalis et perfectionem

eam attingere productive
Secundo quod sacramenta non le-

pacto dei patet quod sacramenta non le

quam illo de quo dictum est. Tertio ut
deduci potest ex dictis. Item apud eos
tenet Thomas dicens quod sacramenta. Item
[illegible] ista dicitur quod gratia dicit quod
sacramenta non agunt ad creationem gratie
ut principale vel instrumentum vel dispo-

supernaturalem quod aliqua actione aliquis
aliud agat ad gratiam sic in pa-
ssio quondam actionem naturalem ut

dicitur ipsa actio non tamen accidentalis

patione est ordinata et sic
reduci potest ad generis hic effectus

Prout ablutiones et viniones

probat hoc, casu quo in medio gratie

ex dictis eo quod facta debita eorum
applicatione ministro debito sive

dicunt a sacramentis veteris legis quia ad
bonum ut gratie conferebant ea quibus
in quibus applicabant erat ex parte
aliqui operantis vel deprecationibus piis
applicantis et recipientis et non
ex opere operato excepta sola
circumcisione cuius causa est de sacramentis
nove legis et sacramenti [illegible]

non attribuitur sacramentis sed merito. Item

non in merito consecrantis sed in verbo
efficitur creatoris et preterea dicitur quod
quod hic iam de baptismo et vivifi-

aliquo modo potest gradi quod in sacramentis

consistit quod demonstrat ut potest [illegible]

quod dicit Augustinus super Johannem tanta est
virtus aque ut corpus tangat et
cor abluat hoc vero non est nisi
de aqua virtute supernaturali exsisti-
mata et eodem de aliis sacramentis
Item quia virtus non est ens fixum

stituta videlicet Attendat status quia pro
dicti quod omnia sacramenta nove legis
habent efficaciam huius a passione Christi
ut exhibita non solum actu
exteriori sed interiori Sicut enim
apud antiquos [illegible] habuit
meritum patres et cum interiori
actu concipit [illegible]
et ideo Christus instituit in specie vite
sue potuit et hec tunc effi-
caciam a passione [illegible] volita
a Christo [illegible] voluntate erat primo
oblatio et maxime grata deo
propter dictum quod fuisset in passione accep-
ta cum incarnatione quia si deus
ad providit non tunc fuit obla-
ta actu interiori cum exteriori
Et sufficit status ad predicti quod sa-
cramenta non solum [illegible] Christo habere
habuerunt efficaciam quam per eius
passionem et tamen non fuit inquantum
ut constituerent [illegible] et
erant instituta non plus sed propter
per modum cuius habitum erant primo
efficaciam etc.

Circa dicta est dubium primo
de sacramentis sacramenta primo sep-
tenarium instituta. Non pro
quod sacramenta sunt instituta in reme-
dium contra defectus et vulnera
et ideo sunt septem sed defectus pro ratione
sunt sacramenta instituta. Sunt tres
defectus culpabiles scilicet originale
contra quod institutum est baptismus actu-
ale mortale contra quod est penitentia et
actuale veniale contra quod est extrema
unctio [illegible] instituta
Christus defectus sunt penales et pe-

Ignorantia contra quam est ordo sed

posset esse salutarior et pla-
cabilior oblatio. Tertio [illegible]

scripta non debuit dari omnibus

cum peccato fidei et in cognitionem populum

Sed circa illud est dubium quia

[illegible] [illegible] constitutione [illegible]
[illegible] tempus [illegible] [illegible]
[illegible] [illegible] et [illegible]

usque ad passionis consummationem
Aliud fuit tempus permissionis seu
quod incepit a tempore missionis spiritus sancti
et durabit usque ad finem mundi. Et
post tempus huius quod mandata legalia
et cerimonialia dominus [illegible] stringit
nam cum excepto tercio nulla
ad salutem sed ex dispensatione non
quia bone sunt sed quia inde cleri
bonum concessit. Secundo tempus huius legalia
et maxime circumcisionem servari
debere quousque veritas eorum promulgaretur
et instituto non se apperiretur
et ab antiquo primo tempore sub illis anti
quis (?) cessabant sed
illa ... ita ut
per acceptionem notionem videntur
servare legalia aliqui multi
ad quos non pervenit predicatio eorum
ut etiam ipsis apostolis maioribus ex
dispensatione et pia quadam simulatione
erant in [illegible]
quia aliqui servabat et adhuc
parte monet eum auctoritas scripture
Unde ut habetur actus 15 aliqui de
descenderent ex iudeis ad gentes
iam docebant fratres quod nisi circumci
derent secundum morem moysi non
possent salvi fieri quibus paulus
et barnabas resisterunt et ascendi
sed fueat super hac questione ad apostolos
et presbiteros in ierusalem decretum fuit per
beatum iacobum et ceteros apostolos et
presbiteros legalia non esse servanda
Unde debent apostolos per istam formam
et alibi servasse legalia et dice
bant plenam firmam debere secundum
rigorem veritatis et observationem stare
secundum pia placationem perfectis quod
apostolus paulus ad romanos et petrus
sed iudeis tamen iudeos sed dixit
Sed dicitur petrus servabat lega
lia pia quadam placatione ad instrumentum

tatem iudeorum et paulus quadam pia
placatione tamen reprehendebat ad galatas
2. Et sic petrus condescendebat iu
deis in legalium observatione ita
paulus condescendebat gentibus
in illius observantie reprehensione
et petrus non peccavit simulatione
sed ut paulus reprehendit petrum re
prehendendo. Et aliter solvit beatus
augustinus in epistola quod ipse distinguit
sex tempora scilicet tempus condendi eorum
et tempus promulgandi eorum et tempus
custodiendi eorum et promulgatio
Primum fuit ab adventu christi usque
ad passionem passionis et in tempore
sunt legalia confirmata et tunc
christi circumcisio [illegible]
fecerat si per apostolorum predicationem et
completam eorum promulgationem et
divulgationem fuerunt penitus mor
tifera huiusmodi [illegible] salutis
posuerunt quia absolvunt a vita christi
ut manifeste patet ad galatas 5. Si
circumcidimini christus vobis nichil prodest et
ibidem evacuati estis a christo qui
in lege iustificamini a gratia ex
cidistis. Medium tempus fuit a passione
christi usque ad promulgationem eorum
omnes gentes quidem potuit dici
medium tempus quantum partis eorum
et in hoc tempore sunt legalia ad sunt
deducta. Tercium est ab hoc usque
ad finem mundi in quo legalia
sunt quasi mortua clausa. Secundo
modo quod [illegible] dicta primo adhuc
servare sed per salutis [illegible]
honestate et proximi [illegible]
Dixit quod beatus augustinus quod tempore primo
sunt legalia servanda [illegible]
[illegible] salutis [illegible]
erat [illegible] promulgabatur
ut [illegible] dominus dixit [illegible]
[illegible] tamen [illegible]

Medio [illegible] tercio iam
tempore et baptismus christi [illegible]
qui [illegible] salvari et primo
baptizaretur et eorum. Secundo est tempore
[illegible] audierunt eorum potuerunt
observare [illegible] honestate quia [illegible]
more deducenda erat [illegible]
ad tumulum non [illegible]
abiciendi statim et [illegible] tempore
servare potuerunt [illegible]
proximi ne iudei a fide [illegible]
Tercio tempore non sunt servanda et ita dicit
augustinus quod petrus et paulus [illegible]
servavit non solum [illegible]
[illegible] christi [illegible]
[illegible] impendendi et [illegible]
tamen placatione [illegible]
[illegible] Sic dicitur quod petrus non [illegible]
[illegible] sit reprehensus a
paulo non quia legalia servabat
sed quia [illegible] gentiles iudaizare
cogebat et [illegible] augustinus
fuit [illegible] placatione

bularet ad veritatem dixi cephe coram
[illegible] iudeus [illegible]

vivis et non iudayce quomodo
[illegible] iudaizare [illegible] dixit quod
non ambulabat [illegible]
et quod reprehensibilis erat [illegible]
audeat dicere quod paulus [illegible]
[illegible] scribit
et [illegible] augustinus
egregius doctor [illegible]
addidit [illegible]
[illegible] paulus ad
[illegible] Et dicit [illegible] addidit
illud ad addendum et corrigendum
[illegible]
[illegible] adherent doctores et
[illegible] hugo de sancto victore
Et dicit [illegible] quod petrus et paulus
idem [illegible] Et tamen
petrus iuste reprehensus est et reprehen
sibilis erat non quia servando lega
lia malefaciret sed quia [illegible]
[illegible] Et ita defectus
[illegible] fuit [illegible] aliqua
culpa ut credo. Sic dicit [illegible]
[illegible] et [illegible]
[illegible] ut petrus
reprehensus non resistit ut [illegible]
[illegible] apparet in petro [illegible]
[illegible] actu [illegible]
[illegible] reprehensibilis erat [illegible]
reprehendendi et [illegible]
[illegible] non [illegible]
[illegible] usque [illegible]
[illegible] et paulus [illegible]
et [illegible] eum reprehendit etc.

Quarto de [illegible] legalium
et [illegible] eorum est ad
dubium de baptismo iohannis qui
est [illegible] non se [illegible]
baptismus baptismo iohannis fuit rebaptizandus

effectu baptismi conferri adeo hec forma quam dominus tollerata fuit a sancta romana licet fuit eis et ex tempore quo fuit instituta fuit totis durare ea predicta scilicet durare ea tota[?] potuit forte quia eis fuisse exposita et si circa tenorem ipsius que inscripta fuit etiam gressit et rebelli [illegible] sunt ista formam ut licet videatur eis prestam forte forma[?] et si [illegible] omissione seu [illegible] facte ingruit [illegible] particularibus ordinacionibus omnia per illam formam [illegible] ut quod [illegible] cum sacra cedunt et tenent [illegible] formam prescripte prius [illegible] circa tenorem quod aduli fiat [illegible] conceptio deliruli [illegible] desfant [illegible] dimissione [illegible] sunt fauentes et [illegible] decenter [illegible] recepti [illegible] formam more illius ecclesie. Secundo dicto predicta forte quo est anno quo adeo ista [illegible] nomine scilicet ad efficaciam sacramenti hoc patet primo de forte quo nomine baptizant ut dictum est et tamen non sub forte prescripta. Et quod ipsi baptizant patet ex decreto capitulo licet videatur quod ait greci [illegible] latinos vel latini apud grecos [illegible] rebaptizandi. Consequenter [illegible] forma sic [illegible] pertinet ad eam [illegible] exprimunt [illegible] actum et suscipientem [illegible] non est [illegible] [illegible] alio non exprimi [illegible] persone [illegible] vult nam dicere baptizo eos in nomine patris et filii et spiritus sancti. Alia autem [illegible] actum et suscipientem [illegible] exprimi quod patet cum forte baptizandi [illegible] dicta includit expressionem istam [illegible]

[illegible] patet quia [illegible] vult dicere baptizatos [illegible] exprimit actum baptismi et subdit eos per quod exprimit personam baptizandi. Et ideo quod dicitur [illegible] baptismo et eius effectu. Si quis [illegible] in aqua immisit in nomine patris et filii et spiritus sancti et non dixit ego baptizo te in nomine patris et filii et spiritus sancti [illegible] puer baptizatus. Sic ergo [illegible] forte [illegible] debent exprimi [illegible] forma actum baptismi et suscipientem [illegible] exprimi debet et [illegible] quo exprimunt [illegible] fuat circa tenorem quod patet [illegible] ad efficaciam sacramenti quod exprimunt actum [illegible] et suscipientem [illegible] ut ipsi [illegible] et predictum [illegible] predicta [illegible] exprimendi [illegible] scilicet ego baptizo te [illegible] decenter forte [illegible] baptismi [illegible] ad baptizandum [illegible] peccat si formam [illegible] ecclesie [illegible] subest [illegible] et grauiter [illegible] puniendus. Nota [illegible] baptizat baptizet [illegible] in nomine patris et filii et spiritus sancti. Tertia conclusio [illegible] predicte forme que sub nomine personalia [illegible] et [illegible] sit [illegible] spectant ad formam baptismi quod Christus [illegible] instituere [illegible] recepit [illegible] formam baptismi hoc [illegible] instituit [illegible] patet [illegible] dicere [illegible] docete [illegible] eos in nomine patris et filii et spiritus sancti [illegible] redemptoris [illegible] habet [illegible] non [illegible] sub [illegible]. Conclusio autem zacharie [illegible] firmiter [illegible]

Sed [illegible] expressio [illegible] Christus [illegible] non et [illegible] efficacie [illegible] quod non baptisma [illegible] detrahere [illegible] et quod est aqua [illegible] aqua [illegible] [illegible] exprimi [illegible] facta fidei professio [illegible] facto et non [illegible] [illegible] facta est [illegible] [illegible] et [illegible] [illegible] ideo [illegible] instituit [illegible] [illegible] quod sufficiat dicere in nomine trinitatis quod [illegible] tres personas [illegible] non [illegible] expli[illegible] personarum [illegible] personalium [illegible] patris et filii et spiritus sancti. Secundo [illegible] circa apostoli baptizabant in nomine Christi [illegible] quod sufficiat alteram personam exprimere [illegible] beatus ambrosius in libro de [illegible] ut habetur [illegible] [illegible] [illegible] fide [illegible] [illegible] [illegible] [illegible] quod Christus [illegible] personas tradendo formam baptismi [illegible] et intellexit per alios explicandas

[illegible] aut nomine trinitatis [illegible] [illegible] [illegible] primo quod apostoli baptizabant [illegible] in nomine Christi ut habetur actuum [illegible] et hoc fuit [illegible] expressa auctoritate apostolorum [illegible] ex divina dispensatione [illegible] ipsi [illegible] [illegible] et fuit [illegible] divina [illegible] Christus [illegible] [illegible] divinas [illegible] correspondentia effectus [illegible] hoc [illegible] Christus [illegible] [illegible] [illegible] [illegible] patet [illegible] [illegible] et dat [illegible] [illegible] [illegible] et spiritus sancti [illegible] [illegible] [illegible] [illegible] fuit [illegible] et [illegible] ut [illegible] [illegible] [illegible] et publicaret [illegible] haberet [illegible] apostoli [illegible] ex dispensatione divina. Secundo dico quod [illegible] nunc [illegible] baptizaret [illegible] peccaret patet quia legem superiorem [illegible] per [illegible] [illegible] ad [illegible] scilicet lex de baptismo [illegible] forma [illegible] in nomine patris et filii et spiritus sancti promulgata fuit a Christo [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] scilicet licet [illegible] [illegible] [illegible] lege [illegible] [illegible] [illegible] [illegible] [illegible] ut divulgaret nomen Christi ut dictum est [illegible] [illegible] [illegible] dispensavit [illegible] [illegible] [illegible] [illegible] [illegible] ipsa [illegible] absolute. Secundo [illegible] quod [illegible] grauiter peccaret [illegible] sic baptizans in nomine Christi [illegible] baptizaret [illegible]

ipse esset re baptizatus. Respondeo dicendum quod beata
ille sit sanctus non baptizabantur
in sancta trinitate sed actu erat baptizatus
per rem baptismi quia rem sit causa
fidei credentia et i. si per confessionem
ta dicit forma baptismi et ideo
ecclesia tota baptizat in nomine patris et fi

satione tradita non fuit tradita
cum ipse quando fuit eo dispe

cessante sola forma manet quae fuit
forma communis. Item dicit [illegible]
quod non audeat dicere quod baptizatus
hoc in nomine christi esset baptizatus sed non
audeat dicere quod non est baptizatus quod
ut dicit non legi quod illa dispensatio
fuit revocata. Secundo dicit quod inhonora

dium est in dubio. Sed in aliis dubiis
de quo ad de baptismo et eius effectu
de quibus dubium est an baptizati sunt

es non te baptizo, si non baptizatus
es ego te baptizo in nomine patris etc.
Et subdit statim quod in aliis du
biis circa quantum ad materiam et for
mam sunt tres maxime quorum prima si

eligenda. Secundo si non adest prius
certa proxima tutissime est tenenda.
Tertia cessante omnibus tutius est

Tertium circa dicit beata quod cum

Sed est dubium de hiis verbis

[illegible] circa mutaret omnia
Aliud modo prope mutata ut si

geniti et procedentis ab utroque non
est baptismus et hoc est mutatio [illegible]
[illegible] personarum
per denuntiationem in verbis actualis
personarum [illegible]
est [illegible]. Dicit sic [illegible]
[illegible] in idem sicut [illegible]

[illegible] et [illegible]
[illegible] et theologi [illegible]
[illegible] dicit quod si baptizat
in nomine genitoris et geniti et
sancti flaminis vere baptizat quia
non refert [illegible]
[illegible] idem dicat non recte est
quod prima et secunda [illegible]

[illegible] Luthu quia id tenet
[illegible]

et aliud addendo ut reponendo
[illegible] id

[illegible] distrahens vel dimi
[illegible]
personarum [illegible]
in nomine patris [illegible] et filii [illegible] et
spiritus sancti et si additum esset [illegible]
[illegible] additum [illegible]
in nomine patris geniti [illegible]
illud additum non fit diminuitur

[illegible] distrahens vel [illegible] quod addit in
tendit novam formam inducere
credens formam hactenus observa
tam non sufficere et [illegible]
[illegible] semper tollitur baptismus [illegible]
Si autem additum non distrahit
[illegible] et baptizans
[illegible] simplicitate ponit et de
[illegible] non tollitur baptismus [illegible]
et [illegible] ut si diceret ego baptizo
te in nomine patris omnipotentis. Si di
ceret ego baptizo te in nomine patris et
filii et spiritus sancti et [illegible]
Si autem subtrahit aliquid [illegible]
[illegible] vel subtrahit aliquid
de omnia requisita ad formam
baptismi vel non [illegible] requisita
[illegible] non est baptismus [illegible]
[illegible] subtrahit [illegible]
quod si subtractio patris vel filii vel spiritus sancti
non est voluntaria ut quia baptizans
[illegible] ut quia baptizans [illegible]
[illegible] per alterius locum
Tunc dicunt multi doctores quod vere
est baptismus non obstante dicta
[illegible] Luthu ad [illegible] est
quod [illegible]
te baptizo quod teneat [illegible]
[illegible] de baptismo
et eius effectu. Alibi dicit quod de quibus
dubium est an baptizati sunt bapti
zentur. Exemplum ipsius: Si baptizatus es non
te baptizo, si non baptizatus es ego
te baptizo in nomine patris et filii et spiritus sancti. Item
per [illegible] mutatio [illegible]
puta [illegible] vel proferendo
vel [illegible] vel [illegible]
et [illegible] voluntarie [illegible]
[illegible] et [illegible] non
tenet formam [illegible]

vel si videtur intendere quod etiam intendit et precipit non baptizat. Vel hoc sit ex ignorantia aut impotentia et sic adhuc est duplex casus: quia non tantum est corruptio vocis et mutatio quia mane adhuc secundum totum esse est nomen sacramenti. Et P'er debent ab eis qui per lingue impeditionem balbutiendo verba recipiunt tamen quantum possunt et timent ad perfectionem et integre proferendum, ne contingat eos sic sacramentum negligentie arguere et peccatum. Si autem tanta est corruptio non tamen aut mutatio quod destruat totum quod est integra si debet dici per et dicit pria [illegible] ut tunc vel est tanta corruptio quod non solum mutatur secundum quantum ad pronunciationem secundum se quantum ad usum accommodatum et tunc non est verum baptismum. Est dato quod mutetur secundum quantum ad modum pronunciationem tamen quantum ad usum accommodationem sive quod communiter intendit id est loquitur plerumque tamen eundem alios illiteratos loqui lingue et tamen bene proprie possunt dici et quantum ad finem et in illo casu est verum baptismum quod patet per rationem recitatam de quo dicitur ubi dicitur de quodam sacerdote qui non erat peritus in latino et baptizabat volens per conformationem verbi quo ad grammaticam baptizat in nomine patria et filia et spiritus sancta. Et patet quod si fecit hoc ex imperitia lingue vel latine non intendens aliquem errorem inducere non sunt rebaptizandi quos baptizat. Secundo quantum ad tertio ut contingit mutari ad instar [illegible] lavat. Et hoc dupliciter contingit: per transpositiones dictionum et per interpositiones. Primo modo sacramentum perficitur dummodo ex talibus

ta materia utrum intendat illud esse formam proferendo volens per hac novum modum inducere tunc constat quod non intendit perficere formam quam ecclesia utitur et per consequens non baptizat videlicet ex simpliciter et hoc duplex vel quia talis transpositio mutat sensum verborum ut puta si dicat et patris baptizo te in nomine filii et spiritus sancti et tunc non est verum baptismum. Si autem ex transpositione non mutatur sensus verborum tunc est verum baptismum ut si dicat ego te baptizo in nomine patris et filii et spiritus sancti vel ego te baptizo in nomine filii et patris et spiritus sancti, non tamen id per facta dogmatizatione mors non impedit sacramentum. Secundo est per consequens dictionis interpositionem quod si [illegible] quod filius a patre procedit et tamen omnis si expressit [illegible] forma [illegible]. Si autem fit interpositio ut si sacerdos immersio dicat ego baptizo in aqua est ut frigida in nomine patris et filii et spiritus sancti. Hac per sacramentum duplex causa aut fit ita longa interpositio quod secundum communem intentionem est forma distinguata (?) secundum humanum modum indicatur quod actio baptismi fit perfecta et distinguata vel non mora et continua quod positio tanta est quod distinguit intentionem tunc forma verba de recipi aliter non est verum baptisma. Si autem intervenerit parvula mora ut interpositiones vel in brevis interpositionis secundum ut per consequens tunc erit verum baptismum et non ora forma recipitur dumtaxat (?) [illegible] non fit constante ut ex certa materia. Et ergo dicit quod si interponatur mora comprehendens [illegible] et ut supponendo quod supposito ut obstinando non impeditur baptismus

quod est recipiendum de materia sacramenti est dicendo quod materia ablutio est materia propinqua baptismi et aqua elementaris sola est materia remota. Et dicitur ablutio materia propinqua quia ipsa est vere baptismus et sit in mente interiori locus [illegible] apto immersio vel per ablutionem [illegible] ut contractu capitis in aqua. Et aqua dicitur materia remota quia loco si [illegible] si debet esse baptismus et ideo aqua in ipsa locorum applicatur tota. Secunda questio. Et illa est quia constituit Christus aquam materia sacramenti huius virtute in omnibus patet quia Johannes 3o dicit nisi quis renatus fuerit ex aqua et spiritu sancto. Quare autem a Christo instituta sit ut fiat ablutio in aqua ad hoc sunt congruentie: quia aqua est natura frigida, mundificativa humida, [illegible] et [illegible] et hec proprietates debet convenienti humidi [illegible] baptismi et baptismum tradere primo est [illegible] qui effectus [illegible] frigiditate et ideo [illegible] recipiat aqua [illegible] calida ut maneat ipsa secundum sacramento baptismi ad administrationem [illegible] apto originali peccatorum [illegible] et [illegible] effectus [illegible] quia aqua [illegible] liquores [illegible] abluit et mundificat. Quarto est baptismum ad illustrandam mentem claritate fidei et hoc [illegible] proprietate aque que est lucida. Secundo [illegible] Christi est baptismum administrandum [illegible] et [illegible] Christus [illegible] aque que est communis [illegible] hominibus et brutis. Deinde [illegible] baptismi est [illegible] est [illegible]

[illegible] ad salutem quod [illegible] aque. Est ab illo sacramento non absolvitur [illegible] ipsum spiritum [illegible] et [illegible] est [illegible] et [illegible] habundant [illegible] et divites et [illegible] [illegible] sed possent. factum vere recipit baptismum licet
non eius effectum. Quarto recipit
baptismum, patet quia non est rebaptiza-
tus ex debito, et eius effectum
tamen mandatur. Actus enim non
voluntarius indicat sed voluntarius
tamen ut dictum fuit patet de
non consentiente. Sed quia recipiat
effectum baptismi quia voluntate deus
iustificat secundum id Augustini Qui
creavit te sine te iustificabit
te sine te. Quintum contingit habere ac-
tualem obicem contra gratiam puta
contra fidelitatem vel aliud peccatum quod
tunc actu voluntatis committit vel
quod prius commisit et actu dis-
plicet. Actu recipit gratiam. Sed

nova vita per inchoare. Et
dicitur [illegible] id sapientie primo Spiritus
sanctus discipline fugiet fictum.
Item [illegible] allegat alias
[illegible] auctoritates. Sed contra tamen incipit
corpori Christi [illegible] sed [illegible] et

[illegible] fuit [illegible] perplexus
quia non [illegible] salutis nec non
posset iterari baptismus quia baptismus

est et sine gratia baptismi salvari
non potest, deus enim instituit baptismum
irreiterabile, nec potest plenarie
remissione [illegible] culpe et
pene daretur [illegible] sepius
delinquenti per baptismum possit
iterari. Sed [illegible] tamen [illegible] via
salutis [illegible] quotiescumque la-
benti [illegible] dei via salutis
[illegible] vita. Non enim [illegible]
misericordiam voluit deus [illegible]
[illegible] ad proximum obligare quam
ipse voluit habere ad subditum.
Petro enim querenti a Christo quotiens
deberet dimittere fratri peccanti
[illegible] respondit septuagies septies,
[illegible] secundum Augustinum [illegible]
[illegible] et [illegible] quotiens
[illegible] peccaverit vel recognoverit
[illegible]. Sed deus instituit
aliquod aliud remedium quo

Augustinum [illegible] adeo dimi-

teretur in baptismo sed tamen [illegible]
karacter et recedente fictione [illegible]

post baptismum accedunt de hoc
autem baptismus percipitur et aptitudinem
si committendum sit pro [illegible] contrariam
tendant et ab exteriori satisfactione
absolvitur et gratiam adiunxit cuius
merito augetur. Verum numquam homo tam
[illegible] possit fomes quod peccati [illegible]
amplius debilitatur. Si autem hoc
conferitur certum baptismum per hunc
susceptus pari ratione et aliis rite
suscipientibus. Sicut ambo [illegible]
[illegible] sunt pena sunt dona dei
et necessario est gratia dei in baptismo
non requirit gemitum vel planctum
vel aliquid aliud corporis sed ea gratis
donat quod quidem de exteriori planc-
tu et gemitu et satisfactione et
in pueris est quomodo [illegible]
adultis remanet. Hic autem est certum
apertum et pena peccato debita absolvitur
et rite suscipiente hoc tamen intelligendum
est in foro dei quia in humano iudicio
solum attenditur qua pena homo sit
dignus quod addendum [illegible] sit
obligatus apud homines quia si
lex peccatum et eius lex homicida
liberetur tantum a culpa et reatu
quo addendum remanet tamen obliga-
tus quo ad homines ad penam iuste
peccati culpa [illegible] constitutam et
de iure [illegible] et civilibus possit
puniri per penam [illegible] maxime
si signa apparerent apparerent quod
homicida peteret baptismum [illegible]
fidei et non timore [illegible]
[illegible] quod tam [illegible] sacramenti quantum
ad beneficium gratie baptismalis est ex
merito christi sed id aequaliter respicit
omnes quantum ad se non christus est
per passionem pro quibus quia qui
rite suscipit sacramentum equaliter suscipit
gratiam quantum est ex parte sacramenti

et ex parte operis operati. Item tota
efficacitas sacramenti illius est a divina sta-
tuto cum deus statuit quod [illegible]
suscipientibus sacramenti aut conferre gratiam
et in eo sit acceptor gratiam non
eadem quod deficit per se [illegible]
ad equale gratiam gratie conferendam
quantum est ex parte sacramenti propter hoc
possit aliquid addi [illegible]
duceret. Et [illegible] angelus
effectum gratie et aliud effectum quod
est dimissio culparum et penarum
penis debitarum non [illegible] suspi-
piunt unde de puero qui baptizatur
quamvis non habeat nisi originale peccatum et de
adulto pleno peccatis mortalibus venialibus
totum dimittitur et adulto plus
quam puero et ergo ipsum effectum
baptismi qui est dimissio culparum et
penarum inequaliter suscipiunt non ratione
autem efficacitatis baptismi cum quantum
ad hoc ratione diverse dispositionis
cum quantum ad [illegible]
veniunt per gratiam. [illegible] dicta
[illegible] quod fomes peccati per
baptismum debilitatur. [illegible]
quo ad [illegible] pena remittitur [illegible]
per eum baptismum et remitti quo ad
effectum quod [illegible]
sed peccatum [illegible] quod augeat gratia
fomes habet et efficaciam [illegible]
ad peccatum. Undecima questio adultus
aequaliter gratiam recipit in baptismo quam
parvulus et cum adultus [illegible]
Prima pars quod adulto non dimittit
peccatum nisi digne suscipit sacramentum
secundum meritoriam contritionem de peccatis
si sit potens ratione. Et illo dolori
[illegible] postea [illegible] gratiam
baptismalem [illegible] actualem contritione
non est in puero [illegible] ille [illegible]

suscipit gratiam. Secunda pars quod
est non [illegible]
quam aliud et est amore devotionis
[illegible] sacramenti ex opere operati.
Duodecima questio utrum ministro sanctitatis
ore seu ex baptismatis merito quis plus
conferatur gratia cum baptizato quam alius [illegible]
[illegible] dispositio [illegible]
[illegible] baptismi
[illegible] sanati a lepra [illegible]
hoc [illegible] collata multiplex
gratia. Item orationes sacerdotis boni
[illegible] baptismi
magis exaudiuntur et valent illi
[illegible] quam sacerdotis mali
orationes [illegible] de
malitia propria et aliorum [illegible]
parvuli [illegible] suscipere baptismum
[illegible] malum
[illegible] sacramenti [illegible]
[illegible] est ex parte operis operati [illegible]
[illegible] ministri devotio [illegible]
parvulo plus infanti conferretur de
gratia [illegible]
[illegible] sacerdotes [illegible]
[illegible] et obstinatos [illegible]
dubitat [illegible] conferre
[illegible] gratiam [illegible] parvulis
peccato originali peccato reatu. Sacerdo-
tes autem [illegible] devotionem
[illegible] et non curant digne sacramenta
digne ministrare et suscipientibus
[illegible] attendat
[illegible] baptizati
[illegible] moti et devoto vel in
offerentibus parvulum vel ministran-
tibus aliis assistentibus baptismo
quorum merita affectiones bo-
nas et devotas orationes [illegible]
plus confert gratie quam alii non
virtute baptismi [illegible] Et hoc
[illegible]
orationibus suis [illegible]

gratiam [illegible] puero [illegible]
[illegible] effectus ut duobus diebus
[illegible]
[illegible] Tredecima questio utrum
per baptismum tollitur culpa et pena debita
in foro dei et ecclesie debita peccato
actuali et originali remittitur in
tamen baptismo. Sed alia pena [illegible]
omnibus conferitur de culpa et pena
[illegible] satis patuit [illegible]
Unde pena [illegible] seu ec-
clesie [illegible] pro pena [illegible] seu
irregularitatis et debite [illegible] remit-
titur [illegible] in baptismo [illegible]
[illegible] baptismum [illegible]
[illegible]
ille pene [illegible] culpa [illegible]
[illegible] in baptismo tamen dimittitur [illegible]
pena [illegible]
[illegible] in baptismo
et sit quod [illegible] homo in foro dei et ecclesie.
Unde tamen quod dicunt alii quod irregularitas
contracta ex bigamia non tollitur
ita quod si [illegible] bigamus [illegible]
baptizetur non posset fieri clericus
[illegible] non ex culpa [illegible] Sed
cum irregularitas contracta [illegible]
[illegible] baptismum
tollatur per baptismum [illegible]
quod per baptismum non tollitur pena [illegible]
quantum est pena culpe. [illegible]
[illegible] culpe [illegible]
non [illegible]
Si autem [illegible] contracta propria
accidat extra [illegible] baptismum tamen quod
[illegible] si rite baptizatur
absolvitur a culpa et [illegible]
[illegible] pena [illegible] culpe et [illegible]
illo tempore [illegible] melior [illegible]
[illegible] quod non [illegible]
tamen est virtute sacramenti. Hec plus
spectant ad [illegible] Alia
[illegible] ut predictum.

fuit si videtur oriundum ut fuit bap-
tizatus sed si eius peccatum deplora-
dit non oportet quod euadat penam
misero [illegible] si decretum [illegible] the-
ologi consolatur quod prestatur ei similiter
ad apparatum vera scilicet pene et
si non propter timore mortis [illegible]

inflicta non [illegible] punitur porro
de genere lege non tollitur malum quod
per baptismum generatur [illegible] in peccato ori-
ginali. Secundo non tollitur pene tem-
porales consequentes peccatum originale

[illegible] peccatum actuale [illegible] gradu
quod baptismus non delet semper
culpam in [illegible] quod accedat ad
illum ad baptismum non mortalis venialis
peccati. Nam dicitur ei effectus sacramenti
quod venialis non repugnat gracie
et rite suscipit sacramentum et tamen
non delet eorum culpam quod ideo
venialis non aliud facit et
et non est. Post quod quod nullo
modo venialis efficit mortale
ad ipsum mittere quod ipsi quod aliud
est venialis addit contemptus
quod erat mortale eo quod talis pre-
[illegible] se disponere ad sacramentum
id est [illegible] quod frequenter
[illegible] surgit mortis venialis et sunt
spirituales. Homo suscipiens sacramentum
videtur dicendum est quod mortis venialis

non facit sibi fomitem gratiam sed
expellit sed eam minuit eo quod
actus boni et malorum [illegible] quo
[illegible] venialis est [illegible] [illegible] et in
[illegible] [illegible] [illegible] fit [illegible]
non [illegible] [illegible] [illegible] pluribus ac-
tibus sit [illegible] et [illegible]
mortis venialis [illegible] statim
baptismus plenius habet effectum ut
hinc est mortalis deleatur sed defectu
[illegible] dicitur est. Flumine est desi-
[illegible] [illegible] et non sit
sit nondum quod [illegible] post baptismum
scilicet fluminis flaminis et sanguinis.
Quid sit baptismus fluminis patet
est [illegible] dictum quod est ablutio hominis
[illegible]. Sed baptismus sanguinis est
martirium pro Christo [illegible] et in non
est sacramentum [illegible] quod deficit sibi
illa que sunt de ratione sacramenti [illegible]
quod deficit [illegible] [illegible]
quod sanguinis non habet rationem ablutionis
sicut baptismum quod est aqua que maxime
abluit deficit est in 2o quod constitu-
[illegible] [illegible] est institutio [illegible]
[illegible] specialis [illegible] [illegible]

tisma flaminis est institutum [illegible]

baptismum institutum [illegible] interior
semper est baptismus flaminis [illegible]

exterior ablutio sit baptismus fluminis
et ille baptismus flaminis est [illegible] est
[illegible] baptismus quod non est sensibile
signum sed potius est res sacramenti.
Sed quare flaminis baptismus et sanguinis
[illegible] dicuntur baptismum si non
sunt sacramenta. Dicendum quod [illegible] [illegible]
est [illegible] [illegible] ablutio et purifi-
catio et ideo non [illegible] [illegible]

tismo flaminis dicitur [illegible] [illegible]

tertia questio prima

Ideo ita peccasset quod omnino vellet ven-

vel quod velit aliud pretium pro re-
compensando sacramentum committit symoniam
Dico ergo quod pueri non baptiza-
to puerulo [illegible]

vel ad sacramentum quod non adul-
ti recipere debent sacramentum actu pro suo
malo quia peccaret mortaliter [illegible]

illa que sunt explicite descripta fidei sed exigit et continentur in scriptura sed exigit et sunt manifeste licita excedit. Non tamen repugnat articulis idem forma hec quia describit caracterem repugnat dicto idem forma communiter premisse. Sed nec omnino frustra et sine auctoritate ponitur quia aliqua auctoritas hec non admittitur ponens idem et adducit aliquas quas solvit et tandem concludit quod propter solam auctoritatem ecclesie quam non sit certum esse ponendum caracterem. Amplius quod sentiendum quod de sacramentis ecclesie sic sentit Romana ecclesia sicut habetur extra de heretici sed ab abolendam. Romana autem ecclesia caracterem sentit impressum esse in baptismo sicut dicitur in inmoteciis 39 extra de baptismo et eius effectu capitulo Maiores. Cum autem accedit ad baptismum caracterem suscipit christianitatis impressum sed et ficte sine devotione non caracterem susceperit impressit ergo nonobstante quod sit contrarie voluntatis obsistente. Et nota descriptio caracteris de quo sit modo per prius aliqua ponere realem impressum in suscipiente baptismum aliud agere et operantibus etc. Neque ponere realem respectu per prius caracterem si ponit formaliter. Cum formam absolutam realem vel respectivam quod in quibusdam sacramentis absolutam salutem per. Sed ipse opponitur quod sit solum respectus realis non fundatum cum voluntas sponte alicui ipsa ut a potentia volitiva et quia iste respectus fit relatio secundum multos non est aliud disputata a suo fundamento et a terminis relatis. Et ideo dicitur quod caracter non sit aliud quam homo utique ut habet impositionem diuinitus ordinatum hic Christum voluisse eius condictionis

videlicet quod ipse voluit quod illius respectu realis sit realis distinctus a suo fundamento et a terminis relatis sunt respectivus secundum alia metaphysicalia et logicalia et non bonas ad probandum caracterem non est ponendum saltem quantum realem ut post in opus dicto et non dixi huius tertii questione dictis si placet. Et non quecumque ratio opinionum veritati sit adhuc tamen videndum est quod in baptismo et in certis aliis sacramentis imprimitur caracter et quibus oppinionibus hoc creditur licet quibus revocat hec ad presens secundum. Sed quod preter illa tria per caracterem imprimentia que non iteratur dicuntur. Notatur ita quod ut dictum est caracter est signum quasi fidei cum fidei quorumlibet statum fidei. Tres autem ut dicit sunt status fidei scilicet genite roborate et communi multiplicate et secundum hec attendi possunt distinctionis bonorum communis rationem abunsitur et electionem aliorum quod cum tamen tria sunt sacramenta quod respondent statui fidei. Per baptismum generatur quod sicut fides gignitur. Confirmatione autem quia in fides roborat et ut pugil convenitur homo ad pugnandum contra hostes fidei ut dicitur. Et ordine etiam quia in vitis multimode datur Christo ut pro administracione dicitur preparatur et in illis tribus tamen imprimitur caracterem. Tamen quomodo aliqua et quod non iteratur declarat per exemplum anthonomis politicis quibus ut tertius distinguitur per gradum et familia regis qui accedat et mensa et nunc dicitur ut solent. Et quod post offensam reconciliatur et redeuntem ad gratiam de offensa

Vel quod multiplicat personas de alia policia ut concessioni ipsi in actus perit et concedat cuiuscumque gradum. Sed aliud gradum vel aliquis etiam recipit in familiam domini et aliud quod altius preferat quod constituit ut milites ad defendendum dominum et regnum pugnam et iterum aliud et ulteriorem quam constituit tamquam prepositum ad recipiendum alios in familiam et ad instruendum alios quo placeant domino sic etiam in proposito quod tria sacramenta scilicet ordinata ad conservacionem spiritualis status et ad perfectionem pariter ad regulacionem in nullo certo gradu constituit aliquem in eclesia quam prius et coniunctum ei membro esse in quocumque gradu secundum gradum in ecclesia et nobilissimum recipi in familiam Christi quod fit in baptismo. Et specialiter constitui militem ad defensionem fidei christiane quod fit in confirmatione. Et constitui presbiterem et pastorem ad introducendum alios ad ecclesiam et ad instruendum et dirigendum alios in ecclesia quod sit in ordine. Et per impollicitationem tria sacramenta sunt dignitatis ut recipiendum in familiarem primo ad militiam et placentiam ad doctrinam. Unde in iteratione multo peccato et reconciliato ita in positione illa tria sacramenta non licet iterare sed ab his desistere erit in futurum ut de eo dicitur lex. Nunc de sacramentis eidem

de cathecismo

scilicet cathecismum et exorcismum de quibus predicte baptismum ante hec baptismus. Et quod in minimis etc. Et si tunc puerulus supervenit quod post supplendum quod prius omnino fuit obmissum de cathecismo quod agit precede baptismum potest spectando. Hoc ideo debet datus eorum quibus baptismus eius

Sed inchoant exorcisti docendi quod baptizandi volentes se quod doctrina fidei predicte. Exorcismo potest autem relinqui propter quod sunt parvuli sed innocentes omnis ad baptismum ante fontem ante peccatis adeat quod exorcismis et exsufflacionibus productum ipsum ante omnes alienat ut habetur de consecratione distinctione quarta. Et sic de cathecismo quod adultos quod in baptismo sit obligatus ad observantiam fidei et alterius quod ad fidem pertinet in genere ut adulti baptizandi operantur saltem originali ea que sunt fidei ut profiteantur ad fidem et ut sciente et volens eos se obligent ad eorum observantiam et id fit in cathecismo. Et sic cathecismus consuetudo de gestibus actionis fidei quod in doctrina fidei sunt communia que quorum est sine ad salutem ut sunt articuli et decem mandata passiones et adventus ad iudicium. Alia autem sunt subtiliora eadem magis tenent eos constitutio et ego de quibus questionem est sine eo cathecismi. Et quod denique dissentiunt quod instrumenta fidei et doctrina et integra gratia fidei quod est sine nona distinctione. Et cum generaliter sit baptismo parvulorum permittitur cathecismum quod potest prius omissum cumitate ut plus eos baptizati baptizare per personam effectum recipiunt. Sed licet parvuli non possint instrui possunt tamen per patrinos obligari ad ea que sunt fidei. Et dicit Bonaventura quod de illis adhuc eos tenent hoc est in genere si alius aliud obligat

Dicitur iii[o] eukaristia viaticum hostia synaxis
grece quod latine latum communio quod quantum
eukaristia dicitur ab eu quod est bonum
et karis gratia et eukaristia id est
quasi bona gratia quod dicitur est summum
bonum et communicare quantum gratias
summe quantum continens gratie quia Christum
qui est gratia subsistenti et ipsius
spiritui eius essentiat gratiam quia
est carbo ignitus scilicet caro Christi
que inflammat caritatem et animam
nostram adunat. Viaticum dicitur
quia est viatoris cibus et solum illi
datur et primum infantibus de
hac vita. Hostia dicitur quia Christus
passurus se obtulit quia pro se ob-
tulit cum apostolis dicit. Et moriens
hunc sacramentum instituens commemoracionem
mortem domini annunciatis. Et
dicitur synaxis quod grece quod est latine
fidelium dicitur communio. Communio
dicitur quia communicant eius sacramentum
fuit in lege veteri nostri prefiguratum
tunc quia non fuit ipse quod est a Christo
domino institutum. Prima pars primi
misterium manente primus ipsius sacramentum
secundum est patet quia ipsi tamen continebat
primo ipse rem continentem et est
corpus Christi quod tamen non fuit secundo
quia sacramentum plenius gratie debuit
solum proprie quod est instituentem vere
autem est id sacramentum ut probatum
est in prima questione. Christus instituit
hoc sacramentum in cena quod aptissimum
fuit quia vere voluit quo ad eos
pascha Romana tolli abolita
consistente in quod tamen id sacramentum
instituit ut fideles commemora-
rent passionem Christi sacramentum institutum

Lati est et Christus prima pascalis
agnum et signum omnis sacramenti
tessera deo homo ostenderet amicis
amorem signa tamquam memorialia
ut amicus in memoria eius commemoracione
meat et ideo instituit dominus sacramentum
eius passione scilicet in ultima cena
quantum ipsis conatibus sacramentum communi-
cabunt. Secundo dominus instituitur
huius sacramenti a Christo sub certa appareret
ut tenetur secundum formam dicit quod
dominus tenetur non quantum sub verbis
conferit, secundum formam con-
ferens instituit sub post baptismi
est quia baptismi instituit forma
et ideo illorum est quere quod est
tamen per si conferet persone non
nobis autem quod indigemus dictis
cum dedit formam et hoc per cum consecratur
quod eius patet extra in ea consecratione
ubi dicitur remanebunt accepit
panem benedixit et fregit dedit
discipulis suis dicens accipite etc. et post
hoc est corpus meum etc. Quod dicitur
quod postea benedixit quandam est cum conferet
per benedictum sunt consecrato igitur
tamen consecravit quod ita conferet
tamen postea fregit quod ita conse-
cratum conferet velut excedat
per sacramento post confectionem hoc probatur
igitur et hoc dominus ea oppositio est quod
dominus conficit sub et ita quod vult
per hic ea vult primo vocabulo
ad conficiendum secundo in apto ad fontes
instituendo omni festivitate primum
omnes scripsisse non dicit benedixit et
fregit et exponendo ipsi benedixit
scilicet ordine secundo hoc est corpus meum
et post fregit et distribuendo

dixit hoc est corpus meum. Tercia
oppositio est quod dominus sub conficit et non
instituit et semel tamen confecit
ita semel tamen eam protulit et id
hoc quemadmodum adque ut vocabu-
lo conferet non tamen posset sine
conferendo sub. Et quamvis posset
conficere sine non debuit tamen conficere
dicendo eam ut amplius formam
traderet quod dominus non tamen sua
potencia ostendebat per eius discipulis
insinuabat et illam opposita plus
accepit. Secunda et hec eadem quod
obiciebat in prima oppositione quod
dominus panem benedixit quod secundum quod
mendacior ita non fuit confectum
per fuit quedam preparacio vel magis
quedam oracio sine gracias actionis
premisso in quo ostendit nobis
adtractandum cum forma benedictione
sicut mos est etiam modernorum adque
aliud premitte benedictiones. Secunda
deprecacione secundum quod dicitur de causa
sub eo sacramento ad assignandum
vel ad describendum ad designandum
sub scilicet frangi et aliorum
sequuntur consecracionem et alia vero
est ad describendum et si aliquis
conficeret primus sibi ita quod hoc tamen
rogare eo hostiat dispensatas
quod possent postea frangi et ut
fecit dominus cum fregit ut inde
distribuendum. Secunda conclusio principalis
nendum est nondum quod omnes quidem
recipere hoc sacramentum et non sacramentum
secundo sacramentum et non spiritualiter tercio sacramentum
sacramentum et spiritualiter quarto spiritualiter et
sacramentum non. Primo modo recipit sacramentum
recipit hostiam consecratam quia ibi
est non sacramentum sed non recipit

corpus ut consecrata sunt dimo non
discernens eam agi cibo et talis
secundum apostolum ad Corinthios xi[o] quod indigne
manducat et sumit etc. Dicit
indicium Christum dominum et non discer-
nens alimentis cibis et huius etc.

dictum est [illegible]
[illegible] sit [illegible]
[illegible] causam [illegible]
[illegible] ut [illegible]
dictum fuit. Si autem [illegible]
[illegible] est [illegible]
ut dictum est [illegible]

debite incipit significare corpus xpi esse sub
speciebus panis et sanguinem sub
speciebus vini tunc illud prolatum fa
ctum per signum efficax et certum est
vera quia ipsum factum est signum
efficax et certum et similiter est certum
corpus xpi ¶ Et tunc dicitur quod verba
finita sunt eisque adest corpus xpi
¶ Secundo concedo quod loquendo de actione
qua tunc adest virtutis finite dispo
sitio convenientis ad esse corpus xpi sub
sacramento sed eidem correspondentis hoc
dicit [illegible] instituit deus species illas
ut per consecrationem assistat eis ad
finitum corporis xpi dicitur consumma
tionem [illegible] conditus curatorum
generat hoc modo sacramentum esse hoc
alio modo per formam quia tunc non
est sacramentum permanens vel non
possunt esse sine impressione in
ipsa consecratione conspicit inquantum et
non requirit aliquam formam distinctam
sed ipsa est forma sacramenti seu consecra
tionis sacramenti ut dictum fuit et hoc
de questione ista.

Secundo quero utrum ista
verba distinctius certum
sit verba et propria forma
consecrationis ipsius sacramenti ista
que ponitur in canone misse ¶ Et
quod non quia hoc pronomen hoc aut
demonstrat substantiam panis aut
accidentia et utroque modo est falsa
aut demonstrat corpus xpi et
tunc ipsa non est efficatia sed ista
corpus meum est corpus meum
¶ Item dicitur ipso est efficatia vel operatio
qua vera est uel [illegible] aut vel
operatione cum sit ipsi operatio ponitur
illis aut est illa corpus meum est

corpus meum ¶ Tertio non forma tradita
a xpo quia hic aliquid ultra continetur
sed interponitur hic quando vel quia non
est tradita a xpo sed per [illegible]
¶ Quarto sed hoc pronomen ego significat personam
propriam de se loquentis ita meum
possessionem sed sacerdos dicit ego de
se ergo ita dicitur meum designat
id esse possessionem sacerdotis dicit
meum designat id esse proprium ipsius
sacerdotis id autem non est vera forma
consecrationis sed potius deberet dicere
hoc est corpus xpi ¶ Quinto contra quia non sit
forma consecrationis sanguinis ista qua
utimur quia ipsa non convenit tradita
a xpo quia non concordat [illegible] vera
¶ Et cum pauca verba videntur pertinere
ad consecrationem sanguinis sed tantum sunt
de consecratione corporis consummatione
vere [illegible] sanguinis et alia supra
ponuntur et ponuntur pro sacerdote [illegible]
¶ Ex decelebratione misse [illegible]
non [illegible] in [illegible] quia for
ma sed [illegible] fidelis et a xpo
apostoli et alii post eorum tempora
successores ¶ Tertio forma que etiam
videndum est cum sacerdos consecrat
corpus sit dicta alia forma sed
consecratio talis et efficax sine
[illegible] quod est [illegible]
quod non ista esset dicta alia et
efficax sine ea fideles [illegible]
te adorarent corpus xpi non con
secratum sanguinis quia non dum
ibi esset corpus et viderentur
ydolatrie ¶ Contra hoc argumentum
quidam [illegible] dixerunt sub
ista [illegible] sine sanguine
corpus xpi non est sine sanguine
quod dixerunt ita [illegible] et non
adoratur hostia non consecrato

sanguis non adoratur id quod est
ibi sed illud quod erit ibi ¶ Sed ut dic
tum est illud non est verum secundum sanctum
Thomam et alios doctores quos
¶ Et ergo ad articulum respondendum et
¶ Primo et alii doctores quod in hostia
consecrata sub speciebus panis non conti
netur sanguis xpi sed quod est unus
solus fidelium ¶ Et ergo secundum [illegible]
tutum est [illegible] sed non
continetur ibi vi sacramenti sed naturali con
comitantia quod contingit ut corpus xpi
non sit sine sanguine et ergo de
speciebus substantie ¶ Secundo videtur
est de forma consecrationis corporis quod
sit dictum ¶ Et vera consecrationis cor
poris xpi sub [illegible] pro demo
stratum hoc et cum est et corpus
meum illa [illegible] expressit xpus
[illegible] hoc est corpus meum ¶ Hec
quando [illegible] non est [illegible] primo
sed ponitur ad designandum ordinem con
secrationis sacramenti ad usum sacramenti hec
[illegible] accipite hoc est corpus
meum [illegible] quia verbis est consecratio
[illegible] consecratio dicta est [illegible]
[illegible] sed quod [illegible]
ad [illegible] vera quia sunt
de forma proferuntur sine prece
dentibus ¶ Sed est dictum verum
[illegible] precedentibus [illegible]
sola xpi vera conficit sacerdos
¶ Et [illegible] quod sit [illegible] illa
sub forma propria et alia sub
[illegible] ut [illegible]
[illegible] ¶ Sed contra id [illegible] quia vera
[illegible] cum [illegible]
quod efficitur xpi sacramenti et [illegible]
¶ Sed xpi consecratio [illegible] efficit
quod ibi sit corpus xpi [illegible] vera

[illegible] hoc [illegible] ibi [illegible]
¶ Sed hoc vera hoc est corpus meum
[illegible] precedentibus hec non
[illegible] quia [illegible] meum significat
[illegible] loquentis [illegible]
[illegible] possit intendere ut loquatur
in persona xpi [illegible] hoc [illegible]
illorum esset quod [illegible] meum denotet
corpus xpi ¶ Sed potius corpus sacer
dotis loquentis [illegible]
loqui mea doctrina non est mea
doctrina [illegible] ergo intendendum lo
qui in persona xpi [illegible]
non habet quod doctrina illa sit
xpi [illegible] sermo de
xpo [illegible] qui loquitur ¶ Sed [illegible]
[illegible] loquebatur in persona dei ergo
[illegible] et [illegible]
non est [illegible]
quo [illegible] ergo supponit
[illegible] non erat [illegible]
[illegible] ¶ [illegible]
de [illegible] ponitur in [illegible]
¶ Sermo [illegible] xpi [illegible]
[illegible] et sequitur consecratio [illegible]
[illegible] vera
accipite et [illegible] ex hoc omnes
hoc est corpus meum [illegible]
[illegible] illa [illegible] accipite
et manducate ex hoc omnes hoc
est enim corpus meum tamen vera
consecrationis ¶ [illegible] non est [illegible]
tamen [illegible] pertinentia ad [illegible]
consecrationis [illegible] ipsa consecratio
sed tamen [illegible]
[illegible] sit consecratio et [illegible]
ita [illegible] alia plura [illegible]
[illegible] qui [illegible]
[illegible] ista vera hoc est enim corpus
meum dicitur in persona xpi ¶ Et

dictis articulis et aliis pluribus dicunt
aliqui quod qui celebraverit vel per-
fecerit hoc est enim corpus meum sine
aliis precedentibus non confecit
quod perficeret vel celebrantibus quod perficeret
laborat de se quantum est ex
nomine suorum et non de corpore christi
Respondeo dicendum quod si quis inciperet
a loco ubi fit memoria christi ut
qui nobis corpus et sanguis fiat
dilectissimi filii tui domini nostri ihesu
christi qui pridie etc. et post hoc preter om-
nia que habentur continuaret medium
sive usque in hoc est enim corpus meum
ubi confecit patet quod ita hoc est
enim corpus meum per verba illa
consecratur et ex precedentibus non
in quibus fit memoria domini christi
in sermone autem patet quod prima illa con-
secrationis quod per hoc est corpus meum
dicitur memoria christi et non sacer-
dotis proferentis vel aliud congruas
Ex quibus patet quod tamen hoc dicit
hic intentione et diligenter similiter
illa distincte et continue ex
[illegible] quod patet ex forma verborum communis
quia quod totum est communiter per nunctiones
et prelationes et plura quod
est non fieret sine [illegible] ab illo
loco [illegible] et [illegible]
[illegible] usque ad ipsum per consecrationem
supplices te rogamus omnipotens deus
deus non est aliquid [illegible] quod non [illegible]
intentionem et convexum sit ad pre-
dente vel per [illegible] aliquo pro-
hanc ratione oblationem [illegible]
ut proprio infinitum vel quantum ab
lacione tu deus et iterum qui
pridie quam pateretur et post consecrationem

totum super [illegible] ac [illegible]
[illegible] vel prelationem uti [illegible]
Sed de corpore dominum est quod [illegible]
est alterius ad [illegible]
tamen tantum sit tertium et [illegible]
circa ipsam formam consecrationis di-
citur statim post hoc ad assignet de
forma consecrationis sanguinis
Sed ergo videndum est quid de forma
consecrationis sanguinis de quo dicitur primo
Quod illa forma que posita in canone
[illegible] est certa et vera forma con-
secrationis sanguinis patet quia ecclesia
[illegible] post allegata [illegible]
[illegible] et multa tradita per
ecclesie [illegible] quod tamen non sit scripta
[illegible] Secundo dico quod licet
illa forma in canone posita sit
[illegible] ministro in certa forma ce-
lebranti ipsa tamen ad consecrandum non
[illegible] alia certa forma [illegible] patet quia
ipsam formam [illegible] que est hic est
enim calix sanguinis mei novi et eterni te-
stamenti [illegible] pro vobis et pro multis effun-
detur in remissionem peccatorum
[illegible] [illegible] quia sunt apud
[illegible] [illegible] Non invenitur
Ubi super forma certa ad [illegible]
[illegible] sumerit quod [illegible] quod
[illegible] sancti et doctrine
[illegible] dominice accepit ab
ipsis apostolis petro et paulo quibus
[illegible] auctores [illegible] et [illegible]
custodit [illegible] certa [illegible]
cepit que hactenus immobili [illegible]
[illegible] Tertio [illegible] patet quia certa te-
net quod [illegible] consecrat sanguinem
quod tamen hec forma non [illegible]
sed hic est sanguis [illegible] novi te-
stamenti qui pro vobis et pro multis effundetur in

remissionem peccatorum Sed dicunt ali-
qui quod et forma certa et [illegible]
ecclesia et [illegible] scripta est [illegible]
[illegible] est ad [illegible] [illegible] [illegible] non
videntur [illegible] quia capitulo 26 [illegible]
ix dicitur hic est sanguis meus et [illegible]
22 hic est calix [illegible] sanguinis
Dicitur ergo isti quod [illegible]
[illegible] et si non [illegible] [illegible]
[illegible] forma tamen [illegible]
[illegible] perfecta et ordinata [illegible]
[illegible] ad consecrationem [illegible]
[illegible] [illegible] [illegible] quod [illegible] que
in canone [illegible] [illegible] [illegible]
ministro qui [illegible] certe [illegible] quod
dico [illegible] [illegible] quos forte [illegible]
non obligavit ad istam formam [illegible]
[illegible] est [illegible] [illegible]
Dicit tamen [illegible] [illegible] forma
que traditur in [illegible] sit forma in
qua consecrari possit quis audeat [illegible]
[illegible] autem quod audeat [illegible]
ad [illegible] [illegible] [illegible]
[illegible] formam describere [illegible] [illegible]
[illegible] Quarto dico illud [illegible]
[illegible] [illegible] [illegible]
[illegible] vel [illegible] [illegible] [illegible]
[illegible] [illegible] non [illegible] forma
consecrationis [illegible] [illegible] [illegible]
[illegible] dicitur [illegible] quia non [illegible] hoc
[illegible] [illegible] ad sanguinem quam
ad corpus [illegible] [illegible] christo ita [illegible]
consecrationem [illegible] [illegible] sanguinis

notitiam eum habuisse per talia. Sic
in pluribus primo certi casum
dubium cum sciret eum confessionem
et tamen hoc perdidit credit teneri
adhuc revelare. Circa hoc sunt
tres dubie. Primo confessor scivit
enim dictorum omnibus quidam
sit dicendum et sicut diligentia
quod illud quod scit ut deus certa dici
non cognitione sit et scire ut deus
cognitione sit. Ita quod homo ob-
livisci omnium recordationem et
memoriam aliud scit propter quod
alicui hoc asseruisse se vidisse
et recordatur se audivisse quod
relatum est memoriam recau-
divisse per confessionem et scire dicit
esse scita et memoriam recordari scire dicit
esse memoriam revelandi quorum unum
non fundat aliud ut si quis
diceret eo videri aliud vel diceret
eo audivisse illud manifeste non
enim modorum non fundat
aliud. Et ergo in sigillo confessionis
fractione et fundatio et absque
fundatio credit per illud quod
scitur esse per confessionem et adhuc revel-
ari ut scitur adhuc ita tamen quod
ut scitur per confessionem permaneat
inviolatum. Secundo sit enim scita
esse enim quod stat fundamentum credendi
sed si esse possit quod ita alicui
testificatur vel testificatione
tacita latebit veritas et negli-
gabit fides. Tamen si confessor
deus culpa audiat et ipse te-
stificatur non credit sed fundamentum
credendi ergo hoc non dicit sed
scire quod non tenetur id revelare si

possit dicere ut alias cognitum sit
confessum vel alias ut publicum
Tertio fratres et dolos contra
etiam proximum si esset sciret scire
reum et circumscribere dignitatem hac
persona consistit ut claudat oculos
sanctus si quod claudit et aperit
innocentem in proximum fraus et dolus
sit proximum. Et si hoc esse communis
et publice hac non sit tamen in
non res est sciat ut publicum et
scire possit manifestum sic tamen
quod manifeste ut scitur per confessionem
illud memoriam. Quarto non tenetur
confessio credere si idem quod veritatem
quam per confessionem vel quod alias ut
scitur non per dicere neque quam
memoriam quod memoriam ut hoc ut
memoriam ut publicum si ergo vera
ut credere dicere tenetur quod ut
homo memoriam revelare vel illud
quod memoriam ut publicum tamen adhuc
possit iuramentum actum ipsum
ut dictum sicut fuit per Christo esse
quod esse teneatur arctare aliud sed
proximum per prelatum tamen commendato
dominus quod commendato prelati sui
quod ille credit ex potestate et propria
audivit confessionem praedicto illo si
quod teneretur comprehendere et conceden-
dum confessionis reddidit in competente
tunc quam audivit eius confessionem parti-
tionem certum quod in ea propter-
dicto non est fructum cum tenetur
talis possit condemnari super
supposito si tenetur relevare quod alias
memoriam probare vel et comparat
tamen quod vadat propria et commune

petere magistri omni unde etiam
semper est prelato et primi etiam
proximum et ipse consistere communi dicto
et etiam alii audivit eum confiteri
tamen et testificant tamen eum
et admonens rursum testimonium
admoneat etiam et etiam perpetit quod di-
scit et se eum comprobat quod non
diceat semper sit cum alicui alteri
et plures possit eum tibi ad-
ducere testimonium non obedientia
notare et punire si quod hac te-
stimonium cuiusquam esse scire quod notare
meorum relevare scitum illud
quod quis scit per confessionem et est
aliunde tamen publicum sed
cum confessionem sed per se sit hoc sed
quod illud non revelet ut non
sit per confessionem. Et addit hoc ca-
quod quod post etiam alicui primum
dato gratia maxime apud
penitentes et est apud alios
secundum dicit ipse quod debono et
equo magis est relevare quamvis
alii est non sit per confessionem et in
hoc scandalum perfectis est ei
confessio manifeste quod non accepit
illud sub sigillo confessionis et quem
non est relevare non quod in confessione
{ut} confitit si ius revelandi semper
proximo auferet tamen scandali
est et permittere se regi eadem
regit autem quod sed credit que a
fundamentum sed primo dictum fu-
turis et est regit credere dicere
de illo et extra per dicere sed
remorsu consciencie non omnino in
credulitate esse revelandi alic-
uius sed scitum est de hoc est annexum

confessionis sigillum. Decimo quod si quis scit
ad prelatos ut secreto sed per confessionem
sed aliunde ipse in nomine illorum
prudenter cognitio est per litteram ma-
nifestat et illud est tamen hoc
esse extra confessionem per eum ali-
unde scit ut publicum si vi-
dit vel audivit in memoriam publi-
ce vel ut publicum vel quod continue
dicto inducere deo non sigillum con-
fessionis ita annexum esse confessionem ut
et sacerdos confessionem audit hoc ipse quod
audit se obligat ad secrete te-
nendum et si tamen sciret quod expressa
permittere revelari quod id tamen nunquam
dicit tamen tenetur et omnino relevare
id esset per quod scire id relevare quod
est aliud quod per confessionem memoriam
hoc ca quod ille permittit se hec re-
tenta ipsum confessionem et idem
confessione audita et non quod
esse per scitum sed per confessionem et ac-
tum permittit et si ad permittet
tamen alii credibus et obedientia
semper revelare per expressio-
ne iuramento tamen nullo esset
unde si vidissem proximum occi-
dentem et peto quod teneretur dicere
sed si inter scire non dicere non
absolveret quam deus et scitum
esse prima depositum pro quod tunc
uniformiter iurare. Decimo octavo quod
dictum esse non est sacerdos primo
audientia reverendi vel loquendi
desunti deo quod per confessionem memoriam
pro quod confessionis sigillum adeo est
impeditum ut non possit certe scire
communem et dignum est ut tollatur

[illegible] confessione

debet omnis suspitio ne inde scrup-
pulum generat sacramentalis confessio
Secundo dubium an confessio generalis
quam solet fieri breviter valeat ad
aliquid Respondetur primo quod si
fit ex radice cum [illegible] admixta
quia omnis actus penitentie fere
eadem est meritorius Secundo con-
fessio est actus virtutis quia
humilitatis Tertio [illegible] quod
confert ad dimissionem venialium
quia aliquis habens propositum ge-
nerale venit in notitiam specialem
aliquorum venialium et displicentiam
eorum sicut frequenter contingit in oratione
originali [illegible] ut proxima reddi-
dimus dedicis et facit[illegible] et
similiter tamen constat quod confessio ge-
neralis valet ad remissionem
illorum venialium ubi adhuc voluntas
displicentia perseverat non actualis
habetur de eis et confessio [illegible]
dicta eciam diminuit de pena
aliquam sicut [illegible] originali confessione
et contritione et adhuc cum [illegible] di-
mittentur peccata venialia quia
cum sit ad dolorem peccati veni-
alis quam mortalis Sed tertio
et quarto confessio sufficit ad dimissionem
peccati mortalis cum sit addi-
missione peccati venialis sed con[tra]
tum et confessio generalis Et est adver-
tendum quod duplex est confessio generalis
una scilicet cum adest confessio completa
de peccatis [illegible] convenient
et venialia originali alia
est non scilicet [illegible] omnibus
[illegible] forma [illegible] virtute
remittendi peccata venialia
scilicet ex parte penitentis et ex-

humilitate confitentis et ex parte
absolventis et per clavium
secundum solum [illegible] virtute [illegible]
[illegible] et non ex [illegible] quod illa
confessio non adiungitur absolutio sacra-
mentalis [illegible] tertio dicitur quod ipsa non va-
let ad dimissionem mortalium
oblitorum si scilicet sic sunt oblita
quod penitens [illegible] discussione non
recolit se hec esse mortalia tunc
[illegible] confessio generalis quia decreto exigit
ab [illegible] completa [illegible]
illius peccati commissi et non originalis
quia recolit se commisisse mortale
oblitum est tamen quale sit [illegible]
[illegible] generalis et confessio de quo
mortali commisso oblito tamen [illegible]
et requirit dolor de oblivione
et confessio [illegible] quamvis oblitum
est in proposito confitendi [illegible]
recoleret Et non quod sacerdos dicens
illa [illegible] absolvo te [illegible]
sit de forma sacramenti [illegible]
[illegible] illa [illegible] dicitur fiunt
remissione peccatorum [illegible]

[illegible] ergo quod [illegible]
[illegible] sit [illegible] Christi

vel in more [illegible] ad [illegible] quod
tamen non est delictum qualiter
de [illegible] sed [illegible]
[illegible] arbitrio [illegible]
[illegible] sic ad [illegible] non de-
[illegible] si de [illegible] ut [illegible]
de [illegible] et [illegible] dictum
[illegible] tamen [illegible] iterare confessionem
[illegible] quod [illegible]
[illegible] magis doc-
tores dicere confessionem iterandam
dico se tenet ex parte confessoris
alii ex parte confitentis primo et
ex parte confessoris est quod non [illegible]
absolvere propter [illegible]
[illegible] ad superiore [illegible] quod
confessionem remissi audire [illegible] et
ad absolvendum cui superior velit
[illegible] committere [illegible]
aliter [illegible] sunt [illegible]
[illegible] sicut [illegible]
[illegible] sunt [illegible]
[illegible] Secundo est [illegible]
[illegible] ignorans est non [illegible]
[illegible] ligare [illegible]
[illegible] ligare et [illegible]
[illegible] et [illegible] confitendi vel
[illegible] superior
[illegible] tamen iterare
confessionem [illegible]
[illegible] peccatis [illegible]
et [illegible] cognoscere
et [illegible] adhuc [illegible]
[illegible] quod
clavibus [illegible] tamen tenet
se ex parte confitentis [illegible]
[illegible] ut si [illegible] peccatum
mortale [illegible] retinuit vel si
[illegible] voluntate peccandi

ut dicunt doctores quod [illegible]
[illegible] voluntate peccandi [illegible] ad-
huc [illegible] et dicit si [illegible]
[illegible] et [illegible] absti-
neat [illegible] ut [illegible]
et [illegible] si [illegible] dicunt [illegible]
absolvi quod [illegible] peccandi
est [illegible] est de [illegible]
[illegible] contritus non [illegible]
tamen [illegible] peccandi
singula peccata Et ergo absol-
[illegible] sunt [illegible]
[illegible] ei quod [illegible]
[illegible] et [illegible]
[illegible] Quartum tamen est [illegible]
[illegible] ut [illegible]
[illegible] negligens [illegible]
[illegible] ei tamen
[illegible] tamen non teneatur
[illegible] confiteri [illegible] sit
[illegible] quod non teneatur [illegible]
[illegible] aliquis [illegible]
[illegible] et tamen [illegible] confiteri [illegible]
[illegible] alias [illegible]
in purgatorio et [illegible]
[illegible] tamen [illegible]
[illegible] adeundo [illegible]
est quod aut est [illegible] confessio
aut [illegible] peccata [illegible]
memoria [illegible] propter [illegible]
[illegible] tamen iterare
tenetur [illegible] dicit [illegible] et
[illegible] dicunt confessionem iterandam
esse Sed duo alii tamen [illegible]
[illegible] doctores [illegible]
aliud [illegible] dicunt quod [illegible]
iterare confessionem propter peccati obliti re-
cordationem et [illegible] propter [illegible]

est solum circa homines ita quod sicut est ceremoniale spirituale ordinum institutione solum personis est tunc itaque constat cuilibet ordini imprimi karacterem in quo homo ordinatus ut ordinatus sit ita ordinatus aliquid ordinatur ut proprium actum ceremoniale ordinatus deputatur ad aliquem actum qui est sacer et hic ut [illegible] est ita quod est ut exclaratur quod sit ad cultum sacrum et isti karacteres sunt diversi secundum diversos actibus ad quos disponunt et exercere ceremonialium quem imprimunt. Ad secundum dico quod cum primitiva ecclesia erat pauci credentes et ideo pauci ministri sufficiebant ad dispensandum ecclesie [illegible] quod non oportuit tunc ministros imprimi insignitos gradibus postea multiplicata fide et crescente devotione oportuit ad cultum [illegible] tunc fuit [illegible] multos ministros ad singularia spiritualia ad cultum pertinentia et ideo tunc eos etiam imprimit [illegible] donum spirituali sacerdotis [illegible] ordines quorum omnes dicit in [illegible] quod [illegible] actus singulares ordinum exercuit in se ipso et quos antiquitus prefigurabat in quibusdam gradibus [illegible] eius in lege Moysi sicut per ornetur ab antiquo institui [illegible] cum multitudinem omnium fidelium collatum sunt ministris quibus non oportuit [illegible] sunt etiam eorum ministerium

h est quod cum [illegible] per [illegible] constituit ministri insignit ordinibus quod et si cum multi [illegible] sit multitudo fidelium est in dimi[illegible] devotionis [illegible] unde multi [illegible] [illegible] et ideo ita ecclesia dispensanda [illegible] oportet tot ministros fore. Ad argumentum apostoli et [illegible] quod [illegible] [illegible] ordine exponunt eos [illegible] perfecti [illegible] ad ultimum [illegible] tonsura [illegible]

Quarta [illegible] dubium est utrum pena canonica impediat a susceptione et collatione ordinis quod sic [illegible] ut videtur si attemptat conferre constat quod apostoli [illegible] ut videtur si attemptat ordinare et facere quod facit etiam ordinatus et [illegible] quod suscepit et constituit ordinatus ordinat [illegible] apostoli et [illegible] quod [illegible] [illegible] expedit exercitium actus [illegible] [illegible] impediunt exercitium actus [illegible] [illegible] Contra [illegible] simoniace [illegible] et post [illegible] susceptionem ut collationem [illegible] [illegible] etiam per [illegible] potestate conferendi ordines ut patet quod [illegible] [illegible] per [illegible] et aliqua pena canonica est inflicta [illegible] quod [illegible] possit conferre ordines etiam ille gittimat [illegible] personas [illegible] ita quod si attemptet non [illegible]

magis per [illegible] illegittimum ad actum spiritualem ita quod si attemptet [illegible] fuerit ut [illegible] illegittimare [illegible] magis [illegible] sub [illegible] quod sub deunte [illegible] quod sub deunte [illegible] et [illegible] [illegible] ordinatio [illegible] dignitates [illegible] et [illegible] videtur [illegible] posita [illegible] ut [illegible] [illegible] et de lege [illegible] et [illegible] per [illegible]

Nota quod pena canonica est pena inflicta secundum canones prohibens ut arcens ab aliquo actu [illegible] quod alias liceret sunt [illegible] scilicet depositio ut degradatio [illegible] [illegible] [illegible] et suspensio. Depositio est amotio a statu clericali et si sit amotio ab omni statu clericali tunc idem est quod degradatio. Si autem tantum sit depositio ad [illegible] gradu [illegible] alio gradu sit degradatus [illegible] sacerdotii [illegible] in gradu clericali tunc degradatio est quedam depositio ut pena privat [illegible] complete de portis [illegible] depositio non tollit caracterem ordinis nec ordines suscepti sed tollit licentiam exercendi actum ordinis [illegible] etiam privilegium quod competit ordinatis. Unde tales traduntur curie seculari ita quod [illegible] ad actus [illegible] et tutelam personarum [illegible] ad forum ille totaliter excludi [illegible] personam. Secunda pena est infamia que est status lese dignitatis [illegible] ad [illegible] sit [illegible] status ille [illegible] dignitatis quantum

ad vitam et mores. [illegible] pena est [illegible] que est inhabilitas ad recipiendum et suscipiendum ordinem. Ista incurritur ex quibusdam [illegible] et ex quibusdam non [illegible] et ex quibusdam [illegible] sunt [illegible] et quedam non. Ex criminibus [illegible] incurritur pertinentibus ad ordines ut actus [illegible] [illegible] [illegible] simonia in ordine. Tertium [illegible] in ordine non suscepto [illegible] [illegible] et non [illegible] penas ecclesiasticas. [illegible] [illegible] [illegible] non est crimina puta [illegible] et illegittimum [illegible] et turpe et enorme mutilatione sed in [illegible] [illegible] [illegible] quod quedam sunt cum culpa quedam sine culpa scilicet homicidium et bigamia [illegible] homicidio [illegible] mutilatio [illegible] alterius hominis. Quarta pena est [illegible] [illegible] pena est [illegible] [illegible] artatio a [illegible] actibus [illegible] ut ab [illegible] talibus. Sexta est suspensio que est prohibitio ab aliquo alias [illegible] et hoc ad tempus et [illegible] [illegible] ista pena ab aliis. [illegible] est quedam suspensio ab officio quedam a beneficio quedam ab utroque [illegible] [illegible] quod ultime [illegible] quinque pene non prohibent collationem ut susceptionem ordinum [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] in istis penis [illegible] [illegible] [illegible] suscipientis et [illegible] et alia [illegible] hinc unde [illegible]

Aliud dictum quod sit causa huius
sacramenti ut plerumque est consentientes
ministrant si ipsis hoc sacramentum
communio [illegible] si si hoc [illegible] non
recipit [illegible] si non [illegible] est
sacramentum quia aliquis [illegible]

tur [illegible] est sacramentum [illegible] dicit
quod ministri [illegible] sacramenti est ordinem
[illegible] ministri [illegible]
[illegible] Si autem [illegible]

recipiunt sacramentum [illegible] dici
quod principales [illegible] si alias non

si [illegible] non expresset. Ad autem
quis est effectus huius sacramenti dico
quod due gratie in duabus animabus personarum
contrahentium. Et hoc nisi sit obex
per peccatum mortale. Nec sufficit ad
gratiam suscipiendam quod contrahens non
sit fictus respectu sacramenti [illegible]
quod prius peniteat quia illud sacramentum
non dat primam graciam. Ex istis
patet quomodo in matrimonio ponendum
est sacramentum. Contra hoc tamen
est dicens quod sacramentum capitur
dupliciter. Vno modo generaliter prout est
sacre rei signum et sic est sacramentum quia
matrimonium representat unionem christi
et ecclesie. Vnde apostolus loquens de
matrimonio ad Ephesios 5° dicit Sacramentum
magnum est dico in christo et ecclesia.
Secundo modo dicitur sacramentum stricte
et proprie aliquid sensibile exterius

erro etiam si qui arte medicine potestate

debitum coniugale contingit per
duos fines scilicet debiti debita in
primitiam est et per primum finem sed
per bonum plus reddere debitum est
dicitur laudabile. Concl. quod ad finem
laudabilem sed ad bonum plus. Pro
quod est ius actus iuste reddentis
alteri suum quod iustum est per cum
finem sed tamen virtute conformitatis
est laudabilis tamen. Tertio sed quod
actus iuste et illud iuste red-
ditum non est iustum ut deceat
reddi non deus dispensavit per
puritate hominis post lapsum propendo
igitur primum bonum laudabile sed
bonum plus et reddendo solum
de reddictione debiti est excelli-
gratiae coniugii. Est debitum quod
reddere ita debiti est actus precepti
cuius ratio est quod sicut est ratio iusti
reddere aliena recipere invito domino
ita ratio iusticie est alienum pe-
tenti non reddere non ratio hoc
legittima excepto habenti secundum
est mortale peccatum et scilicet
Sed corpus coniugis est tamen
alterius quo ad actum (secundum id cor.
4o. Cor.) non habet potestatem sui corporis
sed mulier et econverso coniugem
negat alteri corpus suum quo
ad actum matrimonii petenti cum
non habeat legittima causa ne-
gandi. Est autem debitum peti-
tum expressa via vel per alia
signa interpretative et coniuges

moderate sicut petere mulier est reddere
debitum petenti non subsistit causa le-
gittima negandi ut debitum est
Secundo dico quod est actus precepti
cum explicatur iustitia comuni-
tatem hic erat preceptum secundum quod
obligat semper sed non ad semper
Secundo actus peti et pro esse
bene circumstantionatus et pro eis
iuste non reddere debitum coniugi
petenti et hoc magis dicitur
Quarto si quis commisit ius pe-
tendi eodem cum alio reddere
obligatur. Exemplo fornicari post
coniugium in formicatione coniugum
contraxit cum alio tamen sunt per
incertitudinem non in morte post lapsum

qui alterum repellere et commisit
ius petendi. Et quod sic per-

contra fidem si secunda sibi tamen
eadem ut debeat dicere Laurus
(Cor. 32 dis. 34) Si cuius uterque
lapsus fuit tamen per anima
sui commixta fuit delenda
Sed non habet ius petendi statim
post matrimonium ratum licet adhuc
non commisit quod non dum potest
eo quod post matrimonium ratum licet
adhuc intrare religionem cum eis
statim si ad tempus post post ipso
et deliberare et si tenetur statim

ad religionem post causam est ut dixi
quod obligatur fornicari carnaliter

ad non reddendum putans ligat
eum defectum proprie debitum, vel in
fidelitatis hic vel magis diligere
propriam incolumitatem quam ad red-
dendum debitum alteri coniugi quod
patet prius exemplo vel sicut sua
inclinat cuiusque communiter
ad individuum conservationem sui
quam continuationem speciei per illum actum
ut et natura quia pertinet ad
conservationem individui non
committere et generatur quia pertinet ad
multiplicationem speciei vel illud
quod propter plus non futurum periculum
est de periculo alterius quod
coniuges non obligantur ad idem
eius quo ad actum generationis ipsius
ipsius conservare et adhuc ceteris
non obligantur ad propter in-
columitate propria sub. Si ergo
reddere debiti vigeat imperium
per hoc non est quis alteri debitum
reddere ut puta quod infirmus
est quod timetur periculum ex hoc de
infirmitate. Quod 2o idem ex
ordine reddit quod ex ordine
caritatis qui habet tenere se ponere
quam alteri sibi vel fornicari
carnaliter tenere non autem secundum
contrarium peccatum est non esse
causa aborsus quam ad reddendum
in debitum ubi ergo est proba-
bile periculum de expressione secundum
est quod nasceretur abortus non tenetur
Et sic etiam precepto hic enim
ago cum plus nasceretur leprosus
quod alias posset periculum fornica

Quod propter satisfacere nolendum melius
ut in pluribus aut puer tempore mem-
strum conceptus nascitur leprosus
Unde non sic non sit in lege mo-

struatam debuit occidi ut morte
infligebatur ibi ius propter mortem
et gravem ut est probabile quod
in lege erat quod est regula

quod lepre non est sanus reddere
debitum quod est contra bonum plus
quod nascitur leprosa et contra salutem

sic vero ad lepram sed contingeat
ut infirmus a sano debitum exigat
carnale generaliter precepto apostoli
quod exigit est solvendum nisi sit
recepti misericorditer nulla exceptione
contravenit. Unde licet coniugi
leprose generaliter sanus tamen lepram dicat

reddere debitum statim id est tam
cito tamen prestare quod tempore menstruorum
quia si cito est tunc bonum plus
quam precatur lepram. Tunc magis
esset bonum plus quam nunquam p
receret de prima mulier si propter lepram
actitaret. Hic autem et si non
peccabit tempore menstruorum peccabit
tamen postea tempore conceptum
et hic sponsa sua cum menstru
ata. Sed si obiciatis de periculo
lepre in sponso reddente debitum
possit dici quod multum quamvis sim
non probabile lepram inferri.
Sed diuturna cohabitatio
recipit quod exitus post sponsus in
sui astrictiva esse creditur quod
timetur exiti contrahere infecto
lepre in sponso reddente saltem
ex frequenti redditione quando ex
leprosis petet. Circa dictum Scoti

bitata fuit virginitas et hic erat unus bonum melius quod tunc conveniebat, propter consilium scilicet Ieremias et alii aliqui, consilium scilicet semper est deterioris boni. Secundo, secundo primi ethicorum: illud quod servatur melius et sapientiores communiter scilicet patriarche et prophete qui liberius continuissent; igitur etc. melius prius quam virginitas, licet tunc fuit licita, tunc fuit unum bona melius. Secundo dicit quod virginitas modernorum non prefertur melius antiquorum coniugio adferens conclusionem; quod est contra, licet quo eadem nobilitatem quod est ancilla conjugium, patet quia qui duplici modo sunt regi, tunc equali sunt nobilitate regis quoniam omnia cum unum mere equale mercede accipiunt. Tertio, deus qui omne complevit virginitate, tunc complebat melius est, scilicet et probat per auctoritatem dist. 33 et Augustinum et Gratianum quos adducit allegat. Secundo patet quia virginitas debet ancilla. Tertio dicit quod una virginitas prima preferenda est et melior est melius, patet primo quia bonum divinum melius est bono humano, naturali autem redimentum est adgratiam quasi bonum humanum et virginitas est bonum divinum et melius per abstractionem carnis et terrenis adiunctis reddit hominem magis paratum adcontemplationem divinorum. Virginitas autem hic

compedimenta tollit quod melius est. Secundo bonum anime est melius bono corporis, sed virginitas est bonum anime, ut reddit hominem expeditum adactum eius melius est bonum corporis. Tertio patet, hoc est quod virginitate complevit et cum ipse fuerit et mater virgine elegit, quod virginem apostolo predicatum commendavit. Quarto, illud cum deus complevit aliis preceptis et elegit aliis preceptis et principaliter melioribus est melius, sed virginitas deo dedicata; hoc scilicet, idem patet auctoritate Ios. 1° ubi dicit: expositum quod melius virgo virginitatem sicut hic fuerit quod non virgo melius hic fuerit; et quod dicit Augustinus civitate de virginitate recta est et sacris scripturis auctoritate predictum, et complectens et verissime causa tunc bonum ut matrimonium generale ut ordinale equum. Sexto, hiis inferetur quod quarto virginitas preferetur melius et hoc reddit hominem magis expeditum adcontemplationem divinorum qui tenuit virginitate et sit etiam devotioni dedita; hic ex eo semper tollit licet sit recte statu preferre conjugio; tunc est complectivum preferre quod extra tunc melius ubi de parte contrahit ad multiplicationem sed debitum. Est duarum conclusionum: fornicatio soluti cum soluta sit peccatum est, quod fornicatio sit negata sed continentia est peccatum mortale et de se sicut non

non esset deberet aliqua lex scripta divina ut humana que tamen quis mortale ut dicetur est nisi ratione unitatis pro quas permittitur et patet est ex se contra ista quod deum est tunc ubi divinum ut ex veteri testamento patet quod dicitur Deute. 23: non erit meretrix de filiabus Israel, ubi glossa dicit esse per preceptum legis quod adeos prohibet unde quasi est veniale turpitudo vel in lege et quasi sanctificare est veniale turpitudo quod expressum meretricium; item de quod excludit a regno celorum est peccatum mortale, sed fornicatio excludit a regno celorum ut patet ex novo testamento scilicet ad Cor. 6to: neque fornicarii neque ydolis servientes regnum dei possidebunt. Ad Gal. 5; item ad Thes. 4° dicitur: hoc est preceptum dei ut vos abstineatis a fornicatione. Et Eph. 5to: omnis fornicator et immundus aut avarus non habebit partem regni Christi et dei, et pluribus aliis locis sacre scripture dicitur similiter quod fornicatio sit peccatum mortale, patet ex opposito unus propositum quod dicitur 23 q. 1 cap. ultimo: fratribus nostris dicentes precepimus penitentiam imponi debere qualem decuit ulterius de fornicatione statuti divo voluntarie commissi et certis dominicalibus [illegible]

mentale fornicationem vel certis qui sunt peccata mortalia patet i quod fornicatio simplex est peccatum mortale quod non est mortale divino et humano neque aliquid pensetur hoc est ubi in hoc tunc redempti nisi et tempore nostra fidem dicitur sicut patres antiqui ut abraham iacob david habuerunt concubinas ex quibus genuerunt et non est dicendum quod fecerunt mortaliter, igitur ista etc. sit fornicatio est peccatum mortale dicitur quod ut quod tunc dicitur quando concubine fuerint vel uxores illorum patrum etc. ancilla inventur licet aliqui tunc ex divina dispensatione plures haberent legitimas uxores aliquos ergo vocabant concubinas eo quod non erant ita matrone nec ut eam ducturus sed eo quod non erant ita principes dominae eadem ut ille sicut erat quod ancilla principalius uxoris et agar et zethura dicte sunt concubine abrahe et bala et zelpha ancille rachel et lie dicte sunt concubine iacob quamvis erant legittime uxores eius.

dimitti quantumcumque velit pe-
nitere sed pro spirituali fornicatione
commissa non potest dimitti si no-
luerit recedere ab errore cum ante
fuerit propter heresim est deprehensus
si velit resipiscere. Sed numquid
possit uxorem fornicatam dimittere
absque iudicio ecclesie. Dicitur quod uxor
fornicaria potest dimitti dupliciter
quo ad thorum tantum et quo ad
thorum et cohabitationem simul.
Primo modo uxorem suam debitum for-
nicatione constat sine ecclesie iudicio di-
mittere sua et debitum negare
quotienscumque compellat ante ecclesiam
et si ante voluntarie reddit
debitum remittit iniuriam et
committit sine preiudicio accusationis.
Si autem compulsus reddat
non erit quod noceat verum eadem
ipsa facta sine non constat si preiu-
dicium accusationis et tantum
non eum reddit quo ad thorum et
cohabitationem non est dimitti
nisi fornicatione vel iudicio ecclesie
quia non est ecclesie iudex in propria causa
in pulsata tercia potest esse pe-
ricula et quod dicitur xxxii q. i licet
viro dimittere uxorem causa
fornicationis dicitur intelligi propter
iudicium. Dicitur item cum non
dimittere coniugem propter fornicationem
dicitur quod si fornicatio coniugis est
occulta non potest hinc propter item
non nunquam vel unde est
dimittere coniugem quo ad coha-
bitationem licet possit dimitti
quo ad thorum vel alia pena
puniri quo ad correctionem. Si
autem fornicatio est notoria et

probatur potest licite aut penitere cor-
recte aut spectat penitentiam aut
persistit in malitia amplius ecclesie
tamen non est minor uxorem di-
mittere quam separare ad correctionem
conducta est pena ad arbitrium
non de iure recipi debet correc-
tio expressit vel emendationi probabili
spectat. Primo tamen non est uxorem
dimittere nisi cum constiterit uxorem

auctoritates quod permittit rursum et hec
non videtur aliquid xxxii q. prima hec
tamen intelligi non possit eam adire
cohabitandam debitum moratorie vel
in clausura vel ubi non licet
et hoc eum eam non te dimittere
quod possit tenere. Item ecce
non tenere nisi certa valde emen-
dati compellat. Secundo dicitur
quod si conuincit non sperare correctionem
in cera potest eam si recte adthorum
recipere sed non potest publice cohabitare
propter scandalum quod non videtur com-
mune debitum reconciliare. Aliud dubium
an dimittens uxorem suam propter
fornicationem possit aliam ducere.
Dicitur quod non dimittens uxorem
suam propter fornicationem non potest
ita vivente aliam ducere nec
uxor dimissa viro propter adul-
terium potest alium ducere debitum vi-
ro etiam quod risistendo sed non
sed causa quod cadit sub precepto
non est reddere et ad illud non

aliam tenere non est licet cum le non
licet cum stante plures uxores

uxorem licet alteram ducere con-
tinuo quod matrimonium non solvit
preter divortium. Dicitur ut aug.
cum coniuges maneat coniugale vi-
vendi quod non separatio nec iure ad-
vivendi potest auferre ut habetur xxxii

separatio utrorumque quanti admi-
nistrandi et hoc quo ad formationem

reductum est infamia notoria
coniugis et adversum notores. Sed
si per divortium separatus cum illa
maneat tunc cum et vel plus in-
famia notoris per eam notorius

Secundo si est si divortium solvit

volentes dicunt causa recedi

(Aliud dubium an vir uxorem
dimissam possit post divortium
commissam reconciliare. Dicitur aut
uxor correcta est et deprehensa aut
manet incorrigibilis. Si manet
incorrigibilis viro non licet eam
si reconciliare ea re quia eam
volente aperte deprehendit non lic-

ratione alterius et primi status qui vocatur publice honestatis iustitia quod impedit matrimonium sicut consanguinitas et affinitas et similiter eosdem gradus. Si sponsalia sunt nulla propter defectum consensus sicut in furiosis infantibus et metu coactis ille non inducunt publice honestatis iustitiam ex defectu li. vi. de spon. Sed si sponsalia sunt nulla alia ex causa quam defectum consensus sicut propter defectum consanguinitatis affinitatis voti vel alius huiusmodi causa publice honestatis iustitia. Et si contrahentes validant de impedimento de cetera. Aliud genus affinitatis quod oritur ex cognatione legali. Et quomodo oritur ex cognatione legali est quidam proximitas proveniens ex adoptione. Adoptio autem similiter persone extranee in filium vel nepotem et deinceps legittime assumptio et dicitur hec quasi per generationem naturalem producit filium ita quasi postea quod si aliquis assumat filium ad suppletionem defectum filii naturalis et huiusmodi assumptio vocatur adoptio et sic natura facit de uno filium filium per adoptionem quia dicitur assumptio extranee persone in filium. Sed tamen oritur ex hac legali cognatione quidam quasi linea descendentium que consistit inter patrem adoptantem et filium adoptatum et filium filii et deinceps (?) et collateralium inter filium adoptatum et filium vel filiam naturalem

Hec est proximitas affinitatis que est inter patrem adoptantem et uxorem filii adoptati et etiam inter filium adoptatum et filium vel filiam naturalem (?) et uxorem patris adoptantis. Prima illarum est linea descendentium perpetua quia pater adoptans non potest contrahere cum filia sua adoptiva vel nepte nec cum illa que fuit uxor filii sui adoptivi nec etiam post emancipationem. Sed filius adoptivus non potest contrahere cum ea que fuit uxor patris sui adoptivi ut habetur ff. de ritu nuptiarum. Secunda vero est collateralium quod durat quamdiu durat legalis cognatio sive adoptio. Cum cessat ut emancipato filio adoptivo potest admittere contrahere extra de cognatione legali c. i. Si qua (?) Tertia est quedam et tertia collateralium est per reverentiam quod si hec adoptatur et uxor eius adoptatis et uxorem eius et non habet perpetuam prohibet matrimonium contrahendum et dirimit contractum. Sed certa collateralium est per institutionem filiarum quod proveniunt ex adoptione et ideo eo durante durat et eo cessante cessat. Sed adverte quod predicta adoptio dicitur ex eo quod fuit ordinata propter filiorum solatium sed ex ratione sicut etiam (?) in ius civile sed nunc tota adoptio sicut dictum est impedit et dirimit contractum

admittenda et dirimenda admonitio illa tamen est alterius sed quod inter coniuges est ita quod est inter consanguineos est et inter illos ad actum generatos. Sed adverte quod de affinitate ex affinitate quod est effectus matrimonii precedens non impedit id quod impedit aliud inter istos inter quos matrimonium contracta est affinitas. Adverte quod ex affinitate contracta per vel carnalem vel per uxoris cum matrimonio sequenti impedit matrimonium proposito sed post matrimonium contractum affinitas superveniens non dirimit et ratio est quia ut impedimentum de futuro quod non de presenti et ut dictum fuit impossibile ibi (?) quia petendi debitum propter illud tamen et post mortem uxoris sine coniugio permaneat ut patet ibidem etc.

resurgentibus non erit aliqua deformitas. Secundo, quia mors coniungit deformitatis sicut amor ex defectu caliditatis et cum mutilatorum deformitas differentiis ex defectu debite extensionis. Tertio coniungit deformitas ex proportione eorum dissentium ut cum [illegible] superfluum sicut sextus digitus [illegible] ut [illegible] superveniente oculo ut alia superfluitates. Vide x qlit dixit

In psalmo lv. Die ac nocte
circumdabit eam super muros eius
iniquitas. Numquid isti qui sunt in
principes et prelati et rectores
populi, qui muri deberent esse
huius civitatis, sed etiam ad muni-
endum se in arcu suum querunt
sunt ad destruendum, ita ut propter
eorum iniquitatem et maliciam sit
in medio sue civitatis, hoc est
in communi plebe, labor et iniu-
sticia. Unde Jeremie xxiii dicit
dominus per prophetam: Veniunt tui co-
ram oculis meis, superveniunt structores
tui, destruentes te et
dissipantes a te recedant. Et
Ysaie capitulo lix: Conversum est retror-
sum iudicium, et iusticia longe
stetit, quia corruit veritas in pla-
teis, et equitas non potuit
ingredi. Et quia talis non, quia sicut idem
primo capitulo dicit: Omnes diligunt mu-
nera, sequuntur retribuciones. Et
sicut alius propheta dicit: A maio-
re quippe usque ad minorem
omnes avaricie student. Jeremie vi et octavo
capitulis, et in psalmo lv: Non defe-
cit de plateis eius usura et dolus.
Quod dicit secundum Augustinum et glossam super
eundem locum psalmi: usura et dolus,
quorum utrumque lex prohibet; quia
mala sunt, non absconderentur, sed pu-
blice fiunt. Et revera hec malam
in christiano populo a deo committeretur.
Et si maluerunt ut ex nimia
eorum assiduacione et multiplicacione
iusta et licita a multis reputantur.
Et qui usuram et dolum dicere
manifeste non audent esse licita,
multiplicia sunt ea colorant, prout
in variis apparet contractibus
quos sub titulo licite ac iuste
empcionis et vendicionis confingunt
ad excusandas excusaciones
in peccatis, ut dicit in psalmo cxl.
Omnes igitur tales ab errore
et iniquitate ad viam veritatis et
iusticie reducere volens omnium vir-
tutum integra sapiencia hanc in sui
exordio salutarem ponit doctri-
nam: Diligite iusticiam etc. Per
doctrine aliqualem instructionem quantum
ad presens pertinet oblivionis inter-
dicabilibus et pluribus eius ad speciem
unam particularis iusticie que in rerum
commutacionibus observari debet, que
et iusticia commutativa nominatur, de-
scendamus, et de quibusdam
contractibus qui inter homines usitati
et currentibus in quibus latet
dubia, eciam apud sapientes
et multo doctorum peritorum videamus
investigando, ut possimus quod
secundum veram sapienciam sit diligenter
sequendum et quid in eis sit ob-
servandum, quid ne fugiendum aut
vitandum. Sed quia ut dicit apostolus
Corinthiorum 2o: Non sumus sufficientes
aliquid cogitare a nobis quasi
ex nobis, sed sufficiencia nostra
ex deo est, ideo primo invocan-
dum rerum preteritarum et futurarum omnium
deum, sine quo nullum rite fundatur
exordium, ut a tenebris errorum
et sordibus viciorum corda nostra
demens expurget, et radiis sue
lucis illustret, et ad omnem nobis
in hac vita et in alia eterna salutem
respicientibus utile aut intentionem
inoffenditer dirigat, et perducat
veritatem, fiducia autem talem
habemus per Christum Jesum ad deum,
quia si quis fideliter pecierit divine
gracie dona sequuntur. Unde et apostolus
Jacobus in primo capitulo epistole sue dicebat:
Si quis autem vestrum indiget sapiencia,
postulet a deo, qui dat omnibus
affluenter et non improperat, et dabitur
ei. Orantes igitur et a deo sapienciam
postulantes, dicamus omnes et
singuli unus et omnes et unus, quia
enim unum sumus in Christo, dicamus
itaque: Da mihi domine sedium tuarum as-
sistricem sapienciam, mitte illam de celis
sanctis tuis, et a sede magnitudinis
tue, ut mecum sit et mecum laboret,
et sciam quid acceptum sit apud
te. Sapiencie ix capitulo. De divino igitur
dispositio adiutorio, quod presto est omnibus
pie deum invocantibus, iuxta illud
psalmi: Prope est dominus omnibus invocanti-
bus eum, hunc ordinem servemus,
ut secundum congrue procedi nobis innata
a communibus ad propria procedamus.
Et ut clarior sit processus, totum trac-
tatum de contractibus hic pertrac-
tando principue quo ad partem illam
que est de redditibus, in tres partes
dividamus, quibus non capitulis in varias
questiones et responsiones ad illa sub-
dividendo questionum titulos per
ordinem premittendo, ut si quis totum
tractatum perlegere voluerit eligat
ex titulis quos non per ad perlegendum
sibi magis fuerint utilia. Sic igitur
hec debet mirum videri cuiquam
si in causis dicta quibus quomodo dubia
querit sciri proponuntur, quia prima facie
in quibusdam dubium non videtur apud
omnes manifestum et indubitatum esse,
secundum communis quia illud quod queritur
in se quo ad subiectum questionis sit plu-
ribus et omnibus notum, tamen propter
varios modos circa idem questionum
incidentes quo ad plures circum-
stancias et condiciones personarum
et negociorum in ipso sepe solet
magna latitare dubia. Unde
ille peritus moralis Katho dicebat:
Est flumen est placitum forsitan latet
altior unda. Et sic solet certa
varia in quorum solucionibus in-
veniri possunt doctrine multum
utiles atque salubres. Sed quamvis
omnibus notum sit deum esse, magistri
tamen doctores theologi movent
istam questionem utrum deus sit, ad
ad aperiendum sentencias que
de deo sunt, et ad ostendendum
seu docendum vias claras quibus
usitate arguitur, que sunt pertinent con-
veritate que de deo est theologice
et philosophice obviandi etc.

Questio prima est ista: utrum
constitui redditus pecuniarum
vel aliarum rerum scilicet pannorum
vini vel huiusmodi in re aliqua vel persona
licitum sit et expediens in repu-
blica. Et primo tres conclusiones hic.
Constituere redditus pecuniarum vel
aliarum rerum scilicet pannorum, vini et huiusmodi
in re aut persona vel universitate
vel communitate licitum est et expe-
diens in republica, dummodo hoc
fiat intencione recta et ex racio-
nali causa cum discrecione de-
bita et equitate. Probatur: constituens
cum debita discrecione et equi-
tate redditum in re aut persona ea
intencione et ob hanc causam,
ut de illis redditibus sustententur
illi qui aliis presunt in spiritualibus
et eciam illi qui presunt in civitatibus
et temporalibus, atque eciam ut inde sustente-
tur pauperes et infirmi et
servi dei in religionibus et
pro divino cultu vacantes quod
minus et prioribus adiuvantur, certe
de ecclesia ad consequendum
a deo benediccionem et multiplicacionem
tam in spiritualibus quam in temporalibus
et ut eciam ex hiis redditibus

de spiritualibus

fundent hospitalia fiderentur
ecclesie, altaria, monasteria et
alia ad divinum cultum pertinentia
impendantur, quam pro munitione ac
defensione et bono statu civitatis
alicuius aut ville aut patrie licitum
est et expediens in republica.
Igitur conclusio vera quia de se nota est. Sed
ante probatur prima parte que est de hiis
qui alios presunt in spiritualibus probatur
auctoritate sacre scripture utriusque scilicet
novi et veteris testamenti. Nam
lex divina testamenti veteris con-
stituit sacerdotibus sacrificia domini
et oblaciones eius et primicias vi-
ni, frumenti et olei et que secundum legem
populus afferre debuit domino, de quibus
erant decime et primicie et quicquid
est in muneribus de quibus habetur
Deut. 12 et 18 et in aliis locis.
Constat etiam hoc ex novo te-
stamento. Ita secundum apostolum 1 Thimo.
v. Qui bene presunt presbiteri duplici
honore digni habeantur, maxime
qui laborant in verbo et doctrina
dei, ubi glossa: Qui bene presunt presbiteri
vita et doctrina digna habeant
a subditis duplici honore,
ut scilicet spiritualiter eis obediant et
potiora ministrent. Et hanc sententiam
suam probat apostolus per auctoritatem
veteris legis dicens: non alligabis
os bovi triturantis, que ponitur
Deutro. 25 sub hiis verbis: Non
alligabis os bovis terentis in area
fruges tuas. Eandem auctoritatem
etiam allegat Apostolus prima Cor. ix.
et eam exponit ita ut per bovem
intelligat predicatorem verbi dei et
quemque qui aliis in spiritualibus prest
et fideliter laborat in agro et area
domini. Cui debet ab illis quibus
laborat in necessaria vite temporalis mi-
nistrari. Et 1 Thimo. 4to allegat
scriptura novi testamenti que
dicit: dignus est mercenarius

mercede sua, Luc. x. et Matheo
x. Dignus est operarius cibo suo.
Patet igitur ex hiis scripturis veteris
et novi testamenti quod in republica
providendum est in temporalibus et exteri-
oribus vite necessariis hiis qui aliis
presunt in spiritualibus. Sed hoc congruenter
et apte fieri potest per hoc modo quod ad eorum
provisionem constituantur redditus. Eo modo
quo in conclusione ad quorum confirmacionem
dicitur quod tales constituere redditus lici-
tum est et expediens in republica.
Et per hoc racione, nam racio dictat ut
illis qui ceteris presunt in hiis que
ad deum pertinent ita provideatur
de necessariis vite, ut ab exterioribus
et corporalibus laboribus et cu-
ris supportati liberius vacare
et intendere possint exercicio
et laboribus spiritualibus, qui multo
nobiliores sunt et fructuosiores
et ad vere felicitatis consecucionem magis
necessaria quam labores corpor-
ales. Sed talis provisio congrue potest fieri
per redditus, prout etiam dictum est.
Hanc racionem tangit Apostolus prima Cor.
ix. dicens: Si nos vobis spiritua-
lia seminavimus, non magnum est si
nos carnalia vestra metamus.
Hac racione etiam sacerdotes veteris
legis veteris legis nichil acci-
piebant de possessione fratrum
suorum, ut habetur Deutr. xviii. Quia
dominus erat eorum hereditas, ita
quod ea que in lege domini constituta erat
ut offerrent domino sacerdotes acci-
perent et de ipsis viverent atque
ita liberius divino cultui sine
exterioribus occupacionibus
et laboribus vacarent. Et ob
hoc etiam Deutr. xii. districte
precipiendo dicitur populo: Cave ne de-
relinquas Levitam in omni tempore
quo versaris in terra. Et ita
patet prima pars de hiis qui aliis presunt

in temporalibus, cuiusmodi sunt reges, du-
ces, principes, milites, iudices et
ceteri rectores populi ac reipubli-
ce gubernatores. Probatur. Nam racionale
et iustum est illis constitui vel
dari redditum, censum vel tribu-
tum unde vivant, qui bene presunt in tempora-
libus et civilibus, qui pro defen-
sione terre militant et eam ab ho-
stibus et latronibus defendunt,
qui pacem, iusticiam et veritatem
inter homines procurant et conservant,
sub quibus alii tranquillam vitam
agunt. Hec namque dum bene presunt dei
ministri sunt, ut Apostolus dicit Ad Ro. 13,
quibus et tributa dicit esse prestan-
da. Et Christus dum interrogatus
an liceret censum dari cesari
respondit: Reddite que sunt cesaris
cesari et que sunt dei deo, Mt.
xxii. Et beatus Johannes baptista
ad milites dicebat: contenti esto-
te stipendiis vestris etc. Tercia pars
autem de pauperibus et infirmis
sustentandis et hospitalibus
fundandis patet, quia per hoc patet ad opera
misericordie, de quibus Luc. vi.: Estote
misericordes etc. Et illud: Date et
dabitur vobis, et Luc. xi.: Date ele-
mosinam et ecce omnia munda
sunt vobis etc. Quarta pars autem
de servis dei in religionibus et
extra divino cultui et oracioni va-
cantibus patet ex probacione prime
parte, cum tales servi dei presunt aliis
in spiritualibus, et si non omnes in admi-
nistracione sacramentorum ut predi-
cacione aut huiusmodi exercicio
vel operacione, omnes tamen presunt et
presunt vite merito et oracione. Et Quinta
pars autem de fundacione ecclesiarum
et monasteriorum probatur. Nam lex divina
utriusque testamenti novi scilicet et

veteris data est ad ordinandum
homines in deum non solum per interi-
ores actus mentis, sed etiam per
quedam exteriora opera quibus
homo suam servitutem et divinam hono-
rificenciam debet profiteri. Et talia
autem opera ad divinum cultum
pertinent deo sollempniter exhibenda
in ecclesiis et templis ad hoc
constructis, adhibitis illis quibus
dei ministri ad hoc specialiter
deputati et ordinati utuntur
tamquam instrumentis, cuiusmodi sunt
sacra vasa, vestes
sacre et similia, et talia in lege
veteri vocabantur sacra. Sed expedi-
ens est, immo debitum et necessarium
in republica talia procurari et
fundari, quod valde convenienter
fieri potest cum pro talibus constituendi
sunt quidem redditus instituti. Et Sex-
ta pars autem que est de munitione
et defensione et bono statu
civitatis seu civitatis ville aut patrie
patet per hoc quod talis munitio, defen-
sio et bona ordinacio deserviunt
ad pacem, in qua pro magna parte
consistit felicitas politica. Unde
Aug. xix. de ci. dei c. 11. Tantum
est pacis bonum ut etiam in rebus
terrenis atque mortalibus nichil
gracius soleat audiri, nichil desi-
derabilius concupisci, nichil postremo
possit melius inveniri. Et in eodem
c. xii. Sicut nemo est qui gau-
dere nolit, ita nemo est qui pacem
habere nolit. Cum quidem etiam ipsi
qui bella volunt nichil aliud
quam vincere volunt. Ad gloriosam ergo
pacem cupiunt bellando pervenire.
Nam quid est aliud victoria
quam subiectio repugnancium, quod ad
factum fuerit, pax erit. Pacis ergo
intencione bella geruntur. Hec ibi.

2a de personis in temporalibus

3a de pauperibus

4ta de religiosis

5ta de fundatione ecclesiarum

6ta de munitione civitatis

Et ibidem ca° xviii. distinguit de multiplici pace / et in ca° ii et in sequentibus usque ad vicesimum inclusive eandem materiam prosequitur de qua prosecutione ad presens supersedeo causa brevitatis. Dixi aut in quo genere quod huiusmodi redditus constitui possunt in re constitui namque possunt licite et iuste in rebus quarum usus non est earum consumptio vel dissipacio / sive res ille sit inmobiles / ut agri vinee domus aut similia / sive sit mobiles ut equus vacca / ovis / et similia. Possunt etiam constitui redditus certi precii quod solvat annuatim sed ut communiter libere ut aliquis huiusmodi vult mittere puta quod solvat annuatim quartam partem fructuum / vel quintam / vel aliquid tale de hiis que proveniunt de domibus ut agris vel vineis vel ortis etc. Sicut Joseph in Egypto constituit septimam partem fructuum terre Egypti dandam esse regi ut habetur Gen. 40. Dixi etiam aut personam aliquam. Sed hic vertitur in dubium dicentes quod redditus constitui non possunt in persona / puta quod persona obliget ad solvendum redditus aliquos non ferendo ad rem aliam certam / de qua redditus haberi possunt. Et racio redditur quia in tali obligacione non res / sed persona libera obligatur / que obligari vel impignorari non potest. Probatur persona libera potest in servitute redigi et in obsidem poni / igitur persona libera potest obligari vel impignorari / maior / cum redactio in servitute magna sit obligatio / et obsidis posicio vera sit impignoracio. Antecedens manifestum est ex scripturis sacre

utriusque testamenti novi et veteris ex glosis autenticis et pluribus doctorum / scilicet Augustini / et aliorum dictis atque etiam ex legibus humanis / que omnia ita manifesta sunt quod non est opus ea singillatim ac distincte allegare. Item quamvis servitus illa despotica dura et abiecta de qua loquitur philosophus et leges divine et humane non sit de lege nature secundum primevam hominis conditionem non tamen semper est iniusta post hominis lapsum et prevaricatione. Racio sic patet per Augustinum xix de civitate dei ca° xv. Deus ita hominem condidit quod ipsum rationalem factum ad ymaginem suam voluit non irracionabilibus dominari non hominem homini sed hominem pecori. Unde nusquam scripturarum legimus servum antequam hoc vocabulo Noe iustus peccatum filii vindicaret. Nomen itaque istud culpa meruit non natura. Et post quedam subdit Augustinus. Prima ergo servitutis causa peccatum est ut homo homini conditionis vinculo subderetur quod non fit nisi deo iudicante apud quem non est iniquitas et novit diversas penas distribuere meritis delinquencium. Secundo hoc patet quia persona que libera est potest illiberari et in servitutem redigi merito peccati proprii vel alieni iusto dei iudicio qui novit diversas penas distribuere meritis delinquencium ita Canaam cum tota posteritate sua merito peccati patris sui Cham addictus est servituti. Sic etiam tamen si quis bonus princeps vel quicumque iuste dominans quantumcumque videret aliquem ita viciosum quod libertas eius nociva esset reipublice posset eum iuste punire pena servitutis. Sic est in certis casibus posset eum iuste occidere propter bonum

reipublice etc. Item persona libera seipsam potest voluntarie vendere et pro precio servituti se subicere ut apparet Exodi xxi et Deuteronomii xv. Item persona que libera est potest capi in bello et iure belli in servitutem redegi. Unde Augustinus xix de civitate dei c. xv. Origo vocabuli servorum in latina lingua inde credita quod hii qui iure belli possent occidi et a victoribus observabantur servi fiebant a servando appellati etc. Ad hoc ad propositum nostrum sicut quis habens servum servitute dispotica / de qua nunc dictum est habet in eo servitutes personales et habet in eo redditum constitutum in persona / sicut tamen cum servitus personalis quam dominus habet in servo sit ius percipiendi operas que alia emolimenta provenientia de persona servi que etiam estimari et mensurari possunt per pecuniam / similiter etiam est ne redditus in persona. Item homines liberi servum loco servicii et operarum possunt etiam servo constituere in eo constituere redditum vel censum annuum certe quantitatis pecuniarum quam quidem quantum ille de labore et industria personali quere dare possit etc. Item homo quicumque libere ad tempus vel ad vitam suam totam saltem quamdiu de suo labore vel industria vel ultra sua necessitate tantum vel tanto poterit residuare obligare potest seipsum ad hoc quod absolvat alicui homini vel monasterio alicui vel ecclesie aut capelle vel hospitali etc. annuatim aliquam certam summam pecunie puta libram unam vel incertam puta quartam vel quintam partem vel consimilem eius quod ex suo personali labore artificio et

industria omni anno acquisierit. Licet aut est ipsum constituere censum vel redditum in persona sua. Dixi aut hoc licite aliquis facere posset. Utrum ea liceat / hic vertitur in dubium. Dixi etiam constitui posse redditus in universitate seu communitate. Constitui namque possunt redditus in universitate seu communitate hominum alicuius civitatis / ut ville vel imbi presidentium scilicet consulibus seu rectoribus propter vel in aliqua universitate seu communitate religiosorum aliquorum monasterii vel canonicorum alicuius collegii et ita de consimilibus et in qualibet tali universitate seu communitate constitui possunt redditus eodem modo quo constitui possunt in domo vel agro etc. Est namque universitas seu communitas tamquam res immobilis et quodammodo perpetua. Secunda questio est ista vtrum
redditus pecuniarum vel

istius dubii precipue quo ad empcionem
redditum pecuniarum pro pecunia
scilicet percipere videtur esse intencio docto-
ris solempnis magistri henrici de
gandauo 8° quolibet questione 14 vbi dicit
quod pecunia est tale quid in quod
per se non cadit empcio et vendi-

pecunia in contractu tamquam com-
municatur et non tamquam medium empcionis
et vendicionis mutuo traditur. Ideo
spes accipiendi aliquid pro huiusmodi
pecunie tradicione vsura est. Di-
cit enim pecunia nuda datur et nulla
empcio vel vendicio interueniat
sed ut tantum accipiat post

nis recipiat intencione plus

tate est empcio licet sic so-
leat appellari ut palliet
vicium quia commutacio huius tracta-
tus sunt pecunia sunt data et

Et contrarium tamen illius tenet
doctor scilicet magister Godfredus

de fontibus in 10 quolibet suo questione
xiii. Et vbi aut clarius elu-
cescat veritas in hac parte pre-
sciendum quod secundum iura rerum que
venire consueuerunt in contractu
empcionis et vendicionis quedam
sunt corporales ut domus predium
equus bladum vinum et huiusmodi
de quibus manifestum est quod
pro pecunia emi vel vendi possunt.
Alie vero sunt res incorporales
seu spirituales ut sunt ius here-
ditarium et ius agendi ad rem
hereditariam vel ad certam
pecuniam vel ad rem aliam et
seruitutes tam personales quam
reales et huiusmodi consimilia
que omnia etiam licite vendi
et emi possunt. Et secundum iura aliud
est ius hereditarium et aliud
est res hereditaria. Et ius here-
ditarium quoddam incorruptibile
seu spirituale est quod competit
heredi et dicit potestatem qua
heres habet ius ad iuste possi-
dendum aut vendicandum sibi
rem hereditariam. Res vero here-
ditaria est res corporalis que
debet heredi propter tale ius.
Aliud etiam est ius agendi
ad certam pecuniam vel rem aliam
et aliud est pecunia vel res ad
quam alicui competit accio. Aliud
est etiam seruitus personalis vel
realis. Aliud fructus inde pro-
ueniens. Sic in proposito aliud
est redditus pecuniarum siue rerum
aliarum corporalium. Aliud vero sunt
pecunie siue res corporales
quarum est redditus. Nam redditus
est ius quoddam percipiendi pecunias
vel alias res et tale ius est
incorporale seu spirituale aliud
ab ipsa re corporali que tali

iure percipit. Ex hoc sequitur quod sicut
ius agendi ad certam pecunie
quantitatem vendi et emi potest
licet ius agendi ad certam quantitatem
pecunie non emat nisi propter
ipsam pecuniam tamen quod non est for-
maliter ipsa pecunia sed tamen in
virtute solo potest emi ius ipsum.
Ita etiam in proposito licet ius per-
cipiendi pecuniam non contrahatur
nisi per ipsam pecuniam quod tamen est
aliquid aliud ab ipsa pecunia ven-
di potest et emi cum quo tamen transit
pecunia recipienda etc. Item notandum
quod in huiusmodi contractu non debet
emere redditus pecuniarum vel
rerum aliarum mobilium quecumque
quod redditus pecuniarum vel aliarum
rerum mobilium que cadunt sub
reddituum vel reddituum non videtur
differre specie vel essentialiter et formaliter
sed solum materialiter. Nam cum ex triti-
co vel alia re possit statim
haberi pecunia non debet redditus
huius et alterius etc. Sicut cum emitur
redditus de aliquo tritici non dicitur
emi triticum secundum suam substantiam
quod non dicitur est in rerum natura
sed emitur ius percipiendi triticum.
Ita etiam cum emitur redditus
pecunie non emitur ipsa pecunia
saltem formaliter sed ius percipi-
endi ipsam. Item est tamen quod emitur
pecunia aliquo modo in virtute
nec hoc est illicitum. Sicut enim emitur
fundus terre et emitur pe-
cunia in virtute cum ex eo statim
possit haberi pecunia. Secundum iu-
ristas omnes res pecunia appre-
ciabiles sunt in pecunia convertibiles
tamen per quod pretio totum quod habetur
pecunia esse et est dictum supra.
Ideo eadem ratione est ius percipi-
endi pecuniam et aliarum rerum
que pecunia estimantur et in hoc

contractu pecunia non est communiter
empcionis species sed ipsum ius per-
cipiendi pecuniam modo predicto. Sicut
etiam qui emit servitium personale
vel reale non emit formaliter
fructum inde provenientem sed eius
ius percipiendi illum fructum etc. Ex
hiis patet conclusio ad istud
dubium videlicet quod licite potest quis

expressum constitutum. Secundo notandum
tamen quod quedam patet ex premis-
sis. Item probari potest secundo ex dictis
doctoris opposite sententie
scilicet magistri Henrici de Gandavo.
Nam ipse concedit quod si aliquis emit
pro iusto pretio seu iusta pecunia
fundum vel mensuratam terre. Et
deinde talem fundum vel terre
mensuram vendit pro aliqua
quantitate pecunie annuatim vel ad
vitam vel ad perpetuum solvenda.
Sed si aliquis huiusmodi fundum vel
mensuram terre dedit vel dat
eam vel eam quo ad proprietatem
communitati alicuius civitatis vel domui
religiosorum pro certa quantitate pecunie
annuatim in perpetuum reddenda
reservando sibi pro usu illos redditus
in utroque istorum casuum si huiusmodi tales
redditus velit eos vendere licitum
est alteri quod emat eos etc. Ex hiis
arguitur pro conclusione nostra probanda sic.
Aliquis licite potest emere pro pecunia
redditus pecuniarum annuatim vel
ad vitam vel perpetue ab illo qui
habet tales redditus ex hoc quia
fundum suum pro talibus redditibus ven-
didit alicui homini vel alicui com-
munitati vel domui religiosorum vel
quod alicui tali dedit fundum suum
quo ad proprietatem reservando etc.
Sibi pro usu illos redditus igitur ille eos
emere potest pro pecunia tales redditus
pecuniarum ab illo qui solvit
redditus illos de fundo quem emit
vel a civitate vel a communitate cui
donatus est fundus ille quo
ad proprietatem reservatis redditibus
illis pro usu donantis ante est illius
doctoris in summa seu virtute.
Consequentia probatur quod nulla est in hoc differentia
realis quo ad speciem talium con-
tractuum nisi quod in uno immediate
vendit homo vel communitas quod suum

est in alio hoc idem vendit alter
qui hoc habuit ab alio homine
vel ab alia communitate sed talis differentia
nichil ad hoc facit quod contractus
ex una parte sit licitus et non ex
alia. Item aliquis potest alteri dare red-
ditus pecuniarum ad vitam vel perpe-
tue et ille cui huiusmodi reddi-
tus pecuniarum dantur potest licite
eos vendere pro pecunia ut etiam
concedunt illi de opinione opposita
igitur etiam ille dans huiusmodi
redditus alteri antequam eos daret
sibi poterat eos vendere pro
pecunia consequentia patet quia quod ille
qui habet huiusmodi redditus
formaliter in ius percipiendi tan-
tum pecuniam ex donatione illos
possit vendere et non ille qui
illos habet virtuale sive causaliter
et equaliter vel magis in sua potestate
videtur esse irrationabile etc. Confirmatur tale ius
percipiendi pecuniam constitutum
est ipsi donatario a donante
igitur sicut iste dicit ita etiam
pro certa summa pecunie poterat ei
vendere consequentia patet quia secundum
regulam iuris Cuius est ius dan-
di eius et est ius vendendi etc.
Ex dictis patet quid sit dicendum ad
racionem partis opposite qua dicitur
quod pecunia est tale quid in quod
per se non cadit empcio et ven-
dicio vel communiter etc. Nam sicut apparet
ex dictis in tali contractu de quo
hic agitur non emitur pecunia for-
maliter quamvis ematur in virtute nec hoc
est illicitum ut predictum est sed
emitur formaliter ius predictum
scilicet percipiendi pecuniam nec e-
mens accipit aliquid ultra sortem
quia quicquid accipit ex tali
iure cedit in sortem suam etc.
Forte quereris quid et que res
est tale ius realiter quod est pars iuste

percipiendi pecuniam secundum modum
illius tractatus et hoc modis ita
licite aliquis potest emere ius tran-
seundi vel equitandi per fundum
alterius vel ius figendi palas

Nemo enim racione pacti dedisset

redditus procedit ex prudencia

Apostolus ad Romanos viii^o. Non enim
procedit ex caritate sed potius
ex cupiditate cuius signum
est inclusio timoris deficiendi
in natura et diffidencie cuius de deo
qui providere non solet hiis qui
faciunt erga ipsum quod debent igitur
contractus ille quo aliqui ementes
huiusmodi redditus procedit ex
mala radice et per consequens ex ma-

plurimi fortes ociosi vivunt rei-

contra rectis legibus huiusmodi adin-

vencionibus prohibende sunt et

sed extirpande. Quinto sic contractus
ille de quo agitur usurarius igitur
illicitus sumitur quod contractus in quo
fieret pactum de dando alicui
pro 100 lib et recipiendo vi
annos simul 100 et 10 lib ultra
mutuum esset usurarius sed quo ad
esse usurarium omnino idem videtur
dare iam 100 lib de pacto recipi-
endi in quolibet annorum vite 10
lib racio est quia in hoc casu
dans x lib annis vi elapsis
recipiet ultra sortem 10 et non
obstat usure sed successive reci-
piat quod maior utique pietas
fit illi a quo emitur redditus
10 lib pro 100 si emens de toto
expectaret usque ad finem dicti
temporis scilicet vi annos etc. Sexto
contractui emptionis ad vitam
accedit spes et expectacio
recipiendi ultra sortem et est usura-
rius quam tamen quod quando secundum doctores
sola spes huiusmodi facit usurarium
sed antecedens patet quod proposito tempore pro quo
emens successive recipiat tamen
quantum mutuo dat certum est quod ipse
cupit et sperat ultra illud vive-
re de hoc interrogatus indubi-
tanter quilibet confitetur igitur
etiam talis sperat plus quam
debet recipere. Unde si ultra tamen
temporis vivere speraret quare potius
redditus emere vellet quam pecuniam
suam alicui servire imposita
successive consumere non videtur
racio nec est etc. Septimo arguitur
quod tamen contractus iste etiam illicitus
sit ex parte venditoris ex eo

quod ipse cupit de alieno gratis
recipere sperans emptorem
cito moriturum. Nam si venderet
redditus alicui ad vitam pro eme-
lacione scieret illum scilicet emptorem
victurum longe ultra pro quod
successive reciperet tamen quantum
iam simul dat certum est quod non
venderet ex voluntate redditus
ad vitam nisi egestate coactus
quamvis hoc faceret. Unde quando contractus
iste originem recepisset verisimiliter quere gradus
vendens de vita ementis
omnino dubius intenderet simpliciter
et penitus libere consentire et
quod emens etiam ultra dictum
tempus equalem premissorum
deberet recipere. Et si forte
vendens quamquam voce dicat ad
racione remunerante recepisse
aliud tamen corde sentit teste ex-
periencia. Octavo tamen in hoc
contractu equaliter dubium sit
an emens vel vendens lucretur
quid est aliud racio in hoc casu
nisi mutuo consentire quod utrique
ad fortunam ponere si lucretur
vel perdat. Et per hoc recte similis
est iste consensus illicito con-
sensui illorum qui tamen equaliter
dubium sit quis in taxillis
piciat plures oculos posito de-

ad contractum senis ut si tenet

admixtio plurium et illa inde
finita tamen creditur propter abusiones
et abusores de quibus tamen est
dictum sed ex eo quod non sequitur
quod contractus ille de parte sit illicitus.
Ad quintam autem contractus de quo
agit est usurarius si intelligitur quando
est de parte venit ad probationem quia
contractus in quo fiet pactum tamen
dico quod non est similis de illo contractu
qui erit contractus mutui et de
illo qui est contractus vere emptionis
et si emens vivet xi annis et
illis elapsis recipiet ultra ultimum
sortem vel summam 10 libras pro qua
redditus suos emit et ultra 10
libras nil recepisset ultra sortem et de
hoc satis prius dictum est in solutione
rationes h. de gandavo etc. Ad
sextam quando arguitur contractui etc. Dicitur
sicut supra in solutionibus rationum h. de
gandavo quod non sequitur emens
sperat aut expectat aliquid
recipere ultra hoc quod dedit si se-
vixerit et divine dispensationi
placuit in sperat aut expec-
tat aliquid recipere ultra sortem.
Non enim expectat aliquid recipere
nisi quod cadit sub sorte sua prout
manifeste patet in alio contractu
de redditibus perpetuis. Ad aliam
cum quod si vendens hic octavum simplicem
et rectam intentionem et contractus

perficit legittime tunc ipse nichil
cupit de alieno gratis recipere
nec etiam sperat emptorem cito mo-
riturum propter hoc quod ipse de alieno
recipiat vel retineat sed cogitat
quod si emptor diu supervixerit ita
etiam quod ultra pretium primo datum
rationale summam recipiat quod adhuc
ipse de tali contractu non habeat
dampnum sed commodum aut lucrum
propter ipsum sic querentem in que
quesivit vel quereret pro primum
emptionis et venditionis. Item quando
dicitur in ratione quod si vendens redditus
ad vitam pro revelatione sciret illum
scilicet emptorem victurum longe ultra
tempus per quod successive recipi-
et tamen quantum ad summam dat etiam
quod non venderet sibi voluntarie
redditus ad vitam nisi egestate
coactus quicquid hoc faceret dicendum
quod si in tali casu revelationem ven-
dens non venderet redditus volu-
tarie ad vitam nisi egestate
coactus non tamen ex hoc contractus
reddit reddit ex parte venditoris
illicitus. Nec sequitur quod venditor
cupiat de alieno gratis re-
cipere vel speret emptorem cito mo-
riturum. Non enim oportet quod per intuitum
qua intendit per talem contractum
revelare suam paupertatem aliquam
sic intuitum pervertit. Item vel ho
est certum quod in tali casu non ven-
deret voluntarie redditus ad
vitam nisi egestate coactus quia
propter talem egestatem adhuc possit
attendere suum lucrum quod ex pe-
cunia emptionis ipse posset industria
se illam impendendo et hoc modo
etiam aliquis vendit redditus
perpetuos ubi tamen est quod si emptor

per se vel suos successores plus
recepturus est quam dedit in contractu.
Iste quando dicitur in ratione contra ergo non
vendens et dico quod illud contra quando
et contrahendo supponitur quod non vendens
de vita ementis omnino dubius simpliciter
intendat et libere consentiat
quod emens ultra dictum tempus ex ple
pestorum recipiat sed hoc non obstante co-
cedo absolute sic tangitur
in ratione licet hoc tamen debeat inten-
dere et velle voluntarie et sub condi-
tione hoc est si contingat emptorem
ultra tale tempus vivere etc. Ad octavam
dicendum quod non sequitur in hoc certa
tamen equalitate dubium est an emens
vel vendens lucretur in eo in
hoc casu consentire sed mutuo non
est aliud quam utrumque ad fortunam
ponere si lucretur vel perdat. Et ratio
quia si debite fit contractus iste tunc
uterque non ad fortunam sed ad rationem
se ponunt ita secundum estimabilem
rationem supputatam ex consuetudine
et quando inversa parte nemo eorum
dampnificetur tamen valeat unum scilicet
venditori pretium quod accepit quantum
valet alteri scilicet ementi redditus
quos emit et potest esse quod utique habe-
bit lucrum et commodum et si quomodo
propter quemcumque eventum sicut patet ea que
in talibus quandoque fieri solet unus
eorum aliquo casu fortuito super-
veniente lucretur et alter dam-
pnificetur de quo est dictum et nulla
certitudo saltem commoda ex hoc
non sequitur quod talis contractus fuit for-
tuitus vel quod contrahentes se posu-
erunt ad fortunam nec etiam est
in illo contractu sicut in ludo taxo-
rum eo quod contractus ille dirigitur
ratione qualiter non est in tali ludo

saltem quoniam est ex parte ludentium
qui fortuitis taxillorum casibus
se committunt etc. Ad nonam dicendum
quod emere per pecuniam redditus pe-
cuniales non est emere pecuniam
successive recipiendam saltem formaliter
sed est emere ius successive recipi-
endi pecunias et de hoc satis
dictum est circa principium secundi capituli
vel 3. Ad decimam dicendum est necdum
illam quod in tali tractatu vendens
nullam rem transfert in ementem.
Transfert enim in ipsum ius supradictum
quod est res incorporalis et tamen
etiam dicitur quod persona libera
non debeat reddi censualis
contra hic supra ut esse ostensum etc.
Ad undecimam quando dicitur contractus
vere emptionis competit omni
etati inducens salva adequatione
dati et accepti. Dicendum quod hoc est
verum intelligendo adequationem
illam prout datum et acceptum com-
parantur ad usum hominum in quem nata
sunt vertere ita ut sit equalitas
dati et accepti ad talem usum.
Et quando dicitur in ratione iste autem con-
tractus de quo est sermo non sit
illa nec ad probationem accipiat
iuvenis etc. Concedo contractus ille et quando
ex hoc infertur si ergo ibi debeat
esse adequatio rationabiliter debet
iuvenis tanto plus dare quam
senex quanto plus victurus erit
nec quia quod si sic in redditibus perpe-
tuis non est mensuranda valor
redditum secundum omnes et singulos
successivos eorum proventus ita
quod secundum illos quantificet etiam pre-
cium et accipiat equalitas
inter datum et acceptum sed prout

valor utriusque scilicet redditum et
precium et etiam qualitas inter
ipsa accipi debet penes gradus
utilitatis ad finem humanum
consequendum deservientis et ex
pedientis qui quidem utilitates
liciores licite possunt ut habent ex eorum
usu prout supra visum est in casu
primo ita etiam valor redditum
ad vitam et precium eorum non debent
quantificari per omnes et singulos
successivos proventus redditum
quo ad annos vite ipsius emptoris
sed penes utilitatem predictam
que secundum estimacionem racionalem
ex quadam cursu et consuetudine
patrie haberi et cognosci potest pen
satis etiam condicionibus ipsius
ementis quo ad complexionem et
etatem et quo ad statum et ydo
neitatem et indigentiam persone
et etiam consideratis condicionibus
vendentis quo ad industriam
et alia huiusmodi secundum que
pensari possit quantum valeat
precium acceptum et etiam pensa
ta habitudine eorum scilicet ementis
et vendentis adinvicem et simul
liceat in casu articuli racionabiliter estimetur
quod iuvenis plus debeat dare
de precio quam senex non tamen oportet
quod plus det precise secundum propor
cionem estimatorum annorum vite sue
ad annos senis et nec etiam oportet
secundum talem proporcionem plus dare
etiam si propter dubium tollatur
medietas vel etiam tollatur
due tercie ut huiusmodi constet
illius plus sit sufficit tanto plus
dare quantum indicatur secundum estima
cionem iam dictam etc. Sed duodecimam
pecuniam quam dat emens redditus
est tanti valoris et non potest sciri certus
valor illius quod emens intendit igitur
sic contractus attemptari racionabiliter
erit etc. dicitur ne duo illa quamquam
quare ad hoc quod contractus ille sit racionalis
et non casualis nec fatuus
non requiritur certitudo sive valoris certi
titudinalis quantificacio illius
quod emitur sed sufficit estimacio vi
silis qua estimatur secundum bonam
racionem pensatis illis que cum illo
contractu pensanda sunt quod id
quod emitur tantum valeat emen
ti quantum pecuniam quam emens dat
videlicet vendenti tali modo fieri
debet in contractu quo emuntur red
ditus perpetui ubi etiam non potest
ad precium sciri aut certitudinaliter
quantificari valor illius quod emitur
nec modo iam dicto. Ad decimam
dicendum quod in tali casu a se habet
ad c sicut b ad d intelligendo hoc
non secundum precisam mathematicam sed secundum
adequacionem moralem ita quod secundum
racionalem estimacionem non notabiliter
aut in multo a excedit c. a
converso sic etiam nec in multo
nec notabiliter b excedit d aut
econverso de qua adequacione supra
visum est casu 3º et hoc modo
etiam concedo quod commutando proporcionem
sicut se habet a ad b ita se habet
c ad d et cum dicitur quod hoc est
falsum quia longe maior est propor
cio a ad b quam c ad d illa non
immo eadem est proporcio si bene
racionaliter et moraliter facta est utrobique
adequata et cum dicitur quod hoc
manifestum est ex eo quod aliquantus
est valor recipere redditus
florenorum vini perpetue unde quod sequitur va
lor eius quod est recipere florenum
perpetue infinite excedit valo
rem recipiendi florenum per annos
vite alicuius. Igitur habet illud quod
fuit ostendendum scilicet quod maior est
proporcio a ad b quam c ad d. Et
quod quarto ideo racionales sint contractus illi
etc. Ad hoc dico quod non est recipere florenum
perpetue nec b est recipere florenum
per annos vite alicuius. Nec per
tales recepciones successive
futuras pensari debet mensura
et equalitas in huiusmodi
contractibus facta comparacione
ad precia eorum. Sed a est ius per
cipiendi unum florenum perpetue
et b ius percipiendi florenum
per annos vite alicuius et ita una
secundum racionale iudicium pensata et
et estimata certa habent inter
proporcionem secundum quam etiam et c
et d eorum precia possunt racionabiliter
estimari modo iam dicto. Et per
hoc etiam iam patet ad confirmacionem.
Non enim sicut in redditibus perpe
tuis valor perceptorum in propor
cione excedit omnem finitam
pecuniam. Igitur ibi esse non potest ade
quacio debita precii ad preciabile.
Quia in contractu quo emuntur
redditus perpetui appreciabile
non est ipsa percepcio proventuum
singulorum successive percipiendorum.
Sed est ipsum ius proventus sustinen
di dum provenerint ut sepius
visum est. Ex dictis patet apparere
quod non licet aliquem tantum tradere emere
redditus ad vitam sicut emunt
redditus hereditarii perpetui quia
in talibus considerandum est
ut servetur equalitas proporcionis
utrobique iuxta modum prius dictum
sed talis adequacio non servaretur
si utrobique idem precium vel equale
daretur. Item sicut habet 10 quarta lucrum
aliqua certa potest illa dare ali
cui ecclesie et ab illa etiam
usquequo vixit recipere aliam
certam valentem plus in triplo
quam valeat certa per ipsum data
ita etiam videtur quod licite pecuniam
per qua posset emi talis certa
data vel equalis si dat illam
pecuniam ecclesie ut ex illa talis
certa emat licite potest a tali
ecclesia recipere ad vitam suam
certam aliam triplo plus va
lentem et per consequens redditus de
tali recentes qui utique exce
dit redditus qui posset emi
pro tali precio seu pecunia pro perpe
tuo sed cum sit dans ecclesie ita
summam pecunie ut ex illa ipsa
etiam emat certam valentem
tales redditus non det in media
pecunia in qua multum ius
retinet. Idem est ac si relinque
ret arbitrio et discrecioni
personarum illius ecclesie ut illam
pecuniam converteret in utilitatem
ecclesie prout eis magis ex
pediret et forte ecclesia
est sic obligata quod oportet eos ve
dere tantum vel plus de certa
sua vel de perpetuis redditibus
vel incurrere aliquod dampnum et
constat quod tunc magis expedit
illam pecuniam solui creditori
bus quam quod ex illa emat ita
et non obstante ecclesia racione illius pe
cunie constituit talis ius illam

pecuniam tradenti non vide
tur quod eque iuste et licite hoc posset
fieri ac si pro tali pecunia immedi-
ate ecclesia emeret aliquos certos

Quinto videndum est an
licitum sit emere vel ven-
dere pro pecunia reddi-
tus pecuniarum vel aliarum rerum
vel etiam alias res humano usui
congruas vel necessarias puta domum
agrum et cetera cum pacto quo emptor
obligatur ad revendendum rem
emptam venditori si et quando
sibi placuerit vel infra certum
terminum vel certos terminos. Ad
quod tertio suppono primo quod in emp-
cione et vendicione redditum
vel aliarum rerum adiecta condicione
et pacti quo obligatur emens
ad revendendum venditori rem
emptam de per se non viciat neque
illicitum reddit contractum probatur quia
in lege divina nichil illicitum pre-
cipitur sed condicio revendicionis in
lege divina invenitur aliquo tempore
precepta unde super illud Levitici 24
Cuncta regio possessionis vestre

det. Si attenuatus frater
tuus vendiderit possessiunculam
suam et voluerit propinquus eius
potest redimere quod ille vendiderat.
Sin autem non habuerit proximum et
ipse precium ad redimendum po-
tuerit invenire computabuntur fructus
ex eo tempore quo vendidit et quod
reliquum est reddat emptori
sic quod recipiet possessionem suam
quod si non invenerit manus eius
ut reddat precium habebit emptor
quod emerat usque ad annum iubileum
In ipso enim venditio reddit

ad dominum et possessorem pristinum.
Conclusio universalis ad questionem

notanter dummodo fuerint debite et
racionabiliter substancialia contractus

sed ut ibi sit consensus liber utriusque
ementis et vendentis et in sint
precium et merx sed res que emitur
etiam quod emat pro iusto precio racio-
nato quod fieri debet considerando
valorem rei que venditur secundum
consuetudines regionis loci et
temporis et etiam secundum ea que secundum
iudicium bone racionis conpedire
videntur utrique ementi scilicet et ve-
denti ac etiam reipublice ita
quod ibi fiat adequatio dati et
accepti secundum proporcionem qua sunt
ad usum hominum in que venit seu
nata sunt venire. Si igitur propter
adiectam condicionem minus daret
de precio quam res empta valet
in nota racionali estimacione credo
quod contractus sit illicitus quia contra
equitatem iusticie commutative
quod probatur quia adiectio talis condicionis
nullum facit preiudicium emptori
secundum veram equitatem iusticie
commutative igitur requirit racio congruit
equitati iusticie commutative
minus dare pro illa re propter condicionem
adiectam item et per consequens contrac-
tus reddit illicitus antecedens probatur
quia vel emptor rem emptam
obtinebit perpetue et pro here-
dibus suis venditore numquam per-
veniente ad pinguiorem for-
tunam ut aut per se aut per suos
heredes vel proximos possit
eam redimere. Aut non obti-
nebit emptor rem emptam
perpetue sed cumque oportebit eum
rem illam revendere propter ad-
iectam condicionem. Si primum constat quod
tunc tamen licet in illo contractu ac
si illa condicio numquam esset ad-
iecta igitur adiectio condicionis

nullum facit sibi preiudicium et
per consequens si minus dedit iusto precio
venditor dampnificatus est propter ipsum
et ipse emptor secundum deum et
bonam racionem tenetur ad integre
restituendum. Si datur secundum scilicet quod cumque oporteat
eum revendere rem emptam
tunc si emisset illam rem pro iusto
precio totum sibi redderetur quod ex-
posuit et cum hoc lucraretur
fructus de re empta perceptos
quod sibi debet sufficere secundum veram
equitatem commutative iusticie
et ideo in tali casu adiectio condicionis
illius nullum facit sibi preiudicium
et per consequens si minus dat iusto precio
contractus ex parte illius redditur
illicitus et venditor iniuste
dampnificatur per hoc quod medio
tempore defectum habuit in iusto
precio quod posset pro re sua vendita
debebat. Istud sic patet ex auctori-
tate superius allegata Levitici
24. Deus noluit quod tempore
illo secundum legis veteris emptores
possessionum obligati essent ad
reddendum eas venditoribus
quando eas possent redimere et ultra
hoc quod fructus medio tempore
perceptos in sorte computaret
et solum quod de precio pro empcione
residuum esset acciperent sed ad
hoc non fuissent divina ordinacione
obligati si per hoc fuissent dampni-
ficati aut contra equitatem com-
mutative iusticie gravati. Igitur
multo a fortiori non dampni-
ficatur nec contra equitatem com-
mutative iusticie gravatur si
dato iusto precio plene correspondente
valori rei alligetur ad reddendum

rem empta venditori qui
ea potius redimere pro eodem
precio et cum luceret fructus medio
tempore perceptos. Sed dices res em-
pta propter obligacionem emptoris
ad revendendum minus valet
ipsi emptori quam si talis obligacio
non esset et secundum equitatem iusti-
cie commutative remissius potest
emi cum tali obligacione quam sine
ea. Iste contractus in quo fit obli-
gacio emptoris ad revendendum
rem emptam venditori quando
voluit vel omni tempore vel quolibet
anno certo tempore assignato vel certis
temporibus assignatis non est contractus
verus emptionis vere et vendicionis
sed quasi mutuum ideo quantum ad re-
sponsionem ad dubium illud non
videtur vera causa quia vere proprie
et veri contractus emptionis et
vendicionis neuter contrahencium
obligatur alteri eo est quia vi huius
contractus plene res venditoris
fit ipsius emptoris sic equivalens
precium vel res emptoris fit pos-
sessio venditoris. Sic enim erat
cum res pro re commutabatur et
non minus modo cum datur equivalens pro re
contractus in qua iusta legalis
estimacio equale datur vel
commutatur pro equali unus non obli-
gatur in alterius aliquid cum uterque
recipiat equivalens pro re sua.
Hoc autem fit in contractu emptoris
et vendicionis qui secundum medium
iusticie commutative que in equalitate
consistit valor eorum que commu-
tantur ut patet 5° ethicorum. Item
propter obligacionem huiusmodi
emptor non est totus dominus possessionis

rei empte pro quocumque tempore et ita
non potest eam pro arbitrio suo se-
cure uti nec pro utilitate sua plene
de ipsa disponere commutando vel
locando vel aliter cum ipsa quod placet
faciendo et per consequens non est domi-
nium rei illius translatum in ipsum cum
tamen dominium pecunie vel rei quam
pro ea dedit venditori fuit ple-
narie translatum in ipsum non est
ergo quo ad hoc equitas in tali
contractu. Vicesimo ut aliquis emit
equum ut pretium optimo tempore in
eo merces deferat quam careret tempore
tempore eodem cum iam est equus in labore
venditor petit ipsum sibi revendi-
di in quo casu tenetur emptor
et dampnum non incurreret et similiter
fiet in rebus aliis que emi
et vendi solet si emptor obli-
getur ad vendendum indilate ven-
ditori quandocumque petit vel exigit etc.
Ad primum illorum quando dicitur res empta
propter obligacionem etc. hic forte
posset dici simpliciter negando illud eo
quod obligacio que cadit solum in
persona non diminuit valorem
rei venalis sic obligacio que
cadit in rem ipsam aliquid retinet
ut servitus communis et ergo propter
obligacionem emptoris ad reven-
dendum rem emptam non vendit
minus res secundum se quam si illa
obligacio impertinens valori rei
non esset eo tamen ergo prosit remissius
huiusmodi obligacionem remissius
res emeretur. Sed illa solucio non videtur
sufficere quia sustinentes oppositum con-
tra dicere posset quod licet talis obli-
gacio non facit rem emptam
minus valere secundum se quam si obli-
gacio non esset tamen videtur quod faciat

rem minus valere emptori secundum
se quam si obligacio non esset quia cum
illa obligacione non tam plenum
et liberum habet dominium rei emp-
te sicut si illa obligacio non esset.
Et etiam quando in hac solucione
dicitur quod obligacio non solum cadit
in personam non diminuit valorem
rei venalis communiter hoc verum
sit quantificando valorem rei secundum
se non tamen propter veram quantifica-
do valorem illum respectu ad personam
que propter rem illam obtinendam
sic obligatur posset namque persone
imponi obligacio aliqua fuit tanta
vel alia que ipsam sic aggravaret
quod melius etiam esset sine re ipsam
simpliciter non habere quam ipsum sic obli-
gari. Posset etiam obligacio
esse talis quod habitacio seu possessio
illius rei sibi valeret in duplo
minus quam si illa obligacio que
in sua persona cadit non esset et
per consequens secundum veram equitatem
iusticie commutative absolute liciter
posset emere rem aliquam cum aliqua
tali obligacione in sua persona
cadente in duplo remissius quam
si talis obligacio non esset. Solucio
igitur predicta non videtur sufficere
quia nimis generaliter loquitur de obli-
gacione persone volens quod res
nullius talis obligacione que solum
cadit in persona res emptor pos-
sit et liciter sit oppositum
tamen omnino etc. Aliter ergo descendendo
ad speciem huius obligacionis
de qua nunc agitur dicendum quod licet
res empta propter obligacionem
emptoris ad revendendum
eandem minus sibi videatur vale-

quam sine illa secundum estimacionem
eorum qui corruptum habent iudicium
et sua querunt in ordinata cupiditate
non tamen minus valet sibi secundum veram
iusticie commutative equitatem

visum est contractus est illicitus
et iniustus repugnans legi nature

talibus redditibus etc. compatis

Nec excusari possunt ementes
a peccato per hoc quod redditus tales
emunt ad pium usum vel per hoc
quod movetur zelo divini cultus
que constitucione principis obsta-
te aliter redditus institui aut
augeri non potuerunt quia secundum
Apostolum Ro. iii° non sunt facienda
mala ut eveniant bona scilicet
illa que sunt per se peccata et mala
propter nullas causas quantumcumque
bonas sunt facienda ut patet
per Augustinum in libro contra mendacium
et probat eciam per hoc quia si quis
diceret ea que secundum se sunt peccata
ut furta stupra blasphemie propter
causas bonas esse facienda quid
est aliud hoc dicere quam talia peccata
non esse vel quod absurdius est iusta
peccata esse. Omne namque factum vel licite
fit vel illicite propter quamcumque causam
eo ipso quo est faciendum est iustum

et eo ipso quo est licite fit vel
non est peccatum. Quis enim dicat
furem divitibus ut habeat
quod debemus pauperibus aut falsa
testimonia proferamus non unde
innocentes ledatur sed potius
solveretur. Aut quis dicat adul-
terium esse faciendum ut per illa
cum sit homo liberetur de morte.
Quis hoc dicat nisi qui res
humanos mores quod conatur et
leges subvertere. Nec enim factus
non dicat posse recte fieri nunc iniq
tamen vim eciam glosse ut in eo non
timeat supplicium sed speret
et premium si semel gressimus
in malis actibus non quod fiat
sed quare fiat esse querendum ut quan-
tumcumque pro bonis fiunt causis nec
ipsa male esse iudicet. Sed supra
ostensum est quod contractus talis secundum
se peccatum est cum repugnet di-
recte legi divine et naturali ergo
propter nullam causam quantumcumque piam
et favorabilem sive sit ad
augmentum divini cultus vel
ad aliud pium usum fieri debet
nec promotatio sed deus non vult
coli sive ut cultum suum augeri
per rem peccatum et proximi preiu-
dicium aut dampni quorum utrumque
fit in tali contractu ut patet ex
prehabitis. Tercio per hoc oppo-
to sequeretur quod deus vellet nos
peccare et pro nimio nostro in
iusticiam irrogare ut ipse ex
hoc glorificaretur et sua gloria
per hoc augeretur apud nos et
magis manifestaretur quod est
erroneum et ab apostolo Ro. iii°

tamquam blasphemum reprobatum.
Nam secundum glossam super textum apostoli
ibidem: Erat quidam qui dicebat
deum nos velle peccare ideo ut
ad comparacionem nostri iusticie appareret
et dum peccatum nobis dimitteret quam miseri-
cors sit patefaceret. Dicebant
eciam eum nos velle mentiri ut
ipse solus verax inveniretur
quasi ita esset iniuste ab illo dampna-
narentur occasionem autem talis errori
erebat a dicto prophete in psalmo dicentis:
Tibi soli peccavi et malum coram
te feci ut iustificeris in sermonibus
tuis etc. Sunt talia loquitur Apostolus
quia sensus ille non habet ex verbis
prophete sed malivolorum hominum prava
interpretacione extorquet asserere-
tium quod peccata hominum et mali actus
ad dei iustificacionem proficiat et
per malum nostram iusticie appareat
et iniusticia nostra iusticiam illius oste-
dat et ita dicitur deum uti ma-
lis nostris quasi instrumento
ad gloriam suam. Sunt quos ar-
guit apostolus dicens: Si autem in-
iquitas nostra iusticiam dei commendat
quid dicimus numquid iniquus est deus
qui infert iram in puniunt peccata
quasi diceret si iniusticia nostra
eo proficit ad hoc quod sua iusticia
reddatur commendabilior tunc si deus
iniquus est inferendo vindictam
pro malis qui vult ut faciamus
ad gloriam suam. Et iterum apostolus
subdit: Si veritas dei in meo
mendacio habundat in gloriam
ipsius quid adhuc et ego tamquam
peccator iudicor quasi diceret: Si ad gloriam
dei proficit mendacium hominum ut ille
solus verus appareat peccatores

non sunt dicendi qui peccant
quia non voluntate sed impulsu eius
videbuntur peccare quod absit etc.
Nec sit sicut est cur non faciamus mala
ut eveniant bona sicut eciam quidam
blasphemantes dicebant apostolum
dixisse quorum dampnacio iusta est
prout ipse circa eos dicit ut supra.
Ex hiis patet quam seriose et pondorose
reprobat et extirpare conatur
errores carnalium hominum estiman-
cium per hoc excusari hominem a peccato
quod ea quam facit licet sit mala et
legi divine repugnancia in tunc inde
facit ut inde gloria dei et mina
et iusticia manifestetur et appa-
reat aut eius cultus inde auge-
atur etc. Hoc eciam per racionem quod cum homo
sit compositus ex anima et corpore
utrumque applicandum est ad colendum
deum et secundum hoc duplex debet
esse cultus quo homo colit deum
scilicet interior pertinens ad animam
et exterior qui exercetur per corpus
iuxta illud psalmi: Cor meum et caro
mea exultaverunt in deum vivum
et sicut corpus ordinatur in deum
vivum per animam ita cultus exterior
ordinatur in deum per cultum interio-
rem. Consistit autem cultus interior
in hoc quod anima coniungit deo per intellectum
et affectum quantum potest videndo et
contemplando et ipsum super omnia
diligendo eique in ara cordis ho-
stiam laudis igne caritatis accen-
sam offerendo per hunc in cultum
interiorem ordinandus est in deum
cultus exterior nec placet deo
cultus exterior qui de per se non est
acceptus deo sine cultu interiori
qui semper de per se gratus est et acceptus

de Sed qui emunt predicto modo
redditus ad augmentandum cultum
divinum exteriorem tunc deficit cultus
divinus interior a quo recedunt
ementes per iniusticiam quam facit in
contractu qui est ultra dilectionem
dei et proximi. Unde non est ab illis
acceptus deo cultus exterior.
Item omnis cultus exterior deo
exhibendus in ecclesia militanti
ordinari debet et referri ad
dilectionem dei et proximi. Igitur cultus
divinus exterior non est instituendus
nec augendus per talem vel tali
modo redditum emptionem in qua
emptione vel emptionis modo agitur
contra dilectionem proximi et per consequens
contra dilectionem dei. Unde sic dicit
i. Joh. 4to Si quis dixerit quia
diligo deum et fratrem suum oderit
mendax est. Qui enim non dili-
git fratrem suum quem videt deum
quem non videt quomodo potest diligere.
Et ex superdictis apparet quod si in
contractu emptionis redditum hu-
iusmodi de quo nunc loquitur contra
dilectionem proximi agitur in [illegible]. Item
ex hoc notum est quod in illis duobus
preceptis de dilectione dei et proximi
tota lex dependet et prophete
ut habetur Mt. 22o. Unde quicquid lex divina
de cultu exteriori divino iubet et
vult fieri hoc ad dilectionem dei et
proximi vult inferri et ordinari.
Hoc etiam declarat Augustinus li. x de
ci. dei ca. vto de cultu exteriori
divino qui fiebat in veteri lege dicens
nec quod ab antiquis patribus
alia sacrificia facta sunt victimis
pecorum que nunc populus dei legit
non tamen facit ad intelligendum nisi
rebus illis eas res signifi-
catas fuisse que aguntur in
nobis et hoc tamen ut inhereamus
deo et ad eundem deum finem proximo
consulamus. Item ibidem quoque in ministeria
tabernaculi sive templi multis
modis de sacrificiis leguntur divinitus
esse precepta ad dilectionem dei et
proximi fundo referuntur. In hiis
enim duobus preceptis ut scriptum est
tota lex dependet et prophete.

Questio xi. an redditus secundum
modum predictum empti
pro ecclesiis vel altaribus
vel missis vel monasteriis et ita
similibus sint ydonei divino cultui
et possint sine peccato retineri.
Dicendum quod huiusmodi redditus empti
modo predicto cum inclusione illius pe-
ne dupli de qua dictum est pro
missis monasteriis ecclesiis vel
altaribus vel quibuscumque aliis
ad divinum cultum vel pium usum
pertinentibus instituendis vel fun-
dandis non sunt ydonei vel congrui
divino cultui nec possunt sine peccato
cum inclusione illius pene retineri.
Illud patet ex dictis in prima parte
solutionis questionis immediate precedentis.
Si autem in tali contractu emptionis
talis non apponitur pena scilicet
ad octo libras sint nos et notorie
unius iusto precio dari consueto
pro censu seu redditu unius libre
tunc dicendum est quod aut contractus
ille fit ex consensu mere volun-
tario ipsius venditoris eo modo
quo dictum est in 2a parte solutionis
questionis precedentis et tunc huiusmodi
redditus congrui sunt pro cultu
divino et possunt sine peccato retineri.
Si autem contractus talis fit sine
consensu mere voluntario venditoris
eo modo quo dictum est in tercia
parte solutionis questionis precedentis
tunc sine suppletione rectitudinis
equitatis et iusticie que in tali
contractu defuerunt et remotione
obliquitatis iniquitatis et in-
iusticie que in eo fuerunt non sunt
redditus illi divino cultui congruentes
nec possunt sine peccato retineri. Suppletio
autem huiusmodi et remotio hoc
modo videtur posse fieri quod cum heredibus
a quibus empti fuerunt tales
redditus vel cum eorum heredibus aut
aliis quorum interest sic tractetur et agatur
quod ipsi sint contenti sponte et ex mera
voluntate pure propter deum renunciando
iuri suo quod eis competit quo ad hoc
quod in contractu emptionis defecit de
iusto precio et etiam quo ad fructus
medio tempore sublevatos quos
in hoc casu credo emptores secundum
veram equitatem iusticie et legem
dei debere computare in sortem
et ita venditores ad eos ius
habere ut eos in sorte computaret
nisi sponte renunciaret iuri suo
quod si fecerint tunc secure possunt
huiusmodi redditus retineri. Si
vero hoc facere noluerint sed ad ri-
gorem equitatis et iusticie pro-
cedere voluerint tunc aut de pe-
cunia tantum est eis superaddendum
quod vero sint et debeant esse contenti
aut redditus sunt eis reddendi
recepta pecunia pro qua sunt empti
ita tamen quod secundum legem divinam que
ponitur Levitici 25o computentur fructus
ex eo tempore quo redditus sunt ven-
diti et quod reliquum est reddatur
emptoribus quod impendatur pro divino
cultu vel alio pio usu prout po-
tuerunt modo licito et iusto ne
committendo aliquod illicitum ad pla-
candum deum. Si vero venditores
non habent unde tales redditus
redimant modo iam dicto vel redi-
mere nolint tunc habeant emptores
eos quousque de fructibus perceptis
habeant totum capitale quod in primo
contractu exposuerunt et tunc
redditus libere ad venditores
revertantur etc.

tum statum ecclesiarum antiquitus reddi-

iste Thomas dicens Quicumque

fessione et contritione et in foro ex-
teriori pene superaddite unde
in decretis 17 q. 4 dicitur Quis
inventus fuerit reus sacrilegii

Thomas 2a 2e q. 99 articulo 4to
ubi etiam dicit quod secundum leges hu-
manas quilibet sacrilego capi-
tis pena Sed quia ecclesia sancta
que mortem corporalem non in-
fligit prohibet pecuniaria cum
severo pena ut saltem penis temporalibus
a sacrilegio homines revocentur
cum omnia autem pena excommunicacionis
pro sacrilegio infertur Sed quia multi
eam non retinent nec timent
ideo opus fuit etiam alias
penas temporales ad coherendum
homines a tanta malicia ad

busdam dicentibus quod in usura
dominium pecunie usurarie trans-
ferat in recipientem ipsam usuram
sed illi qui dedit competit repetitio.
Et hec est sententia quorundam doctorum
iuristarum qui in hac parte
se fundant quod omnis volun-
taria datio facit transferri do-
minium sed usure dantur volun-
tate conditionata quia scilicet potius vellet
velit sorte dare quam mutuum non
accipere et ita usura solvitur
a volente ex conditione. Et hec
est sententia Gamfredi in summa
sua titulo de decimis et hoc
idem apparet in glossa 14 q. 4ta si
quis usurarius. Et per Reimundum
in summa libro 2o Rubrica in Utrum
de illicite acquisitis possit fieri
elemosina. Hoc idem etiam tenent
aliqui doctores theologie scilicet Petrus
de Tharantasio cum distinctione
4ta sententiarum q. 2a articulo
2o parte. Sed Thomas super 4to sententiarum distinctione
15 q. 2a articulo sexto sub articulo
2o dicit quod in usura aut quid
dicunt dominium transferat. Con-
trarium autem illius videtur esse de intenti-
one Bonaventure super quarto sententiarum
distinctione 15 q. 2a articulo 1o. Ubi dicit
quod quedam sunt male acquisita
in quibus transfertur dominium
et non competit repetitio sed sunt
licite retineri ut precium prostibuli
et lucrum histrionis. Quedam autem
sunt in quibus non transfertur domi-
nium sed competit repetitio ut in
furtu et rapina et ad huiusmodi
genus reducuntur omnia que iniusto

titulo et mala fide possidentur
talia sunt que habentur per symo-
niam et usuram et ideo de talibus
illo modo potest nec debet fieri elemosina.
Hoc idem videtur sentire Alexander de
Hales in suo 3o q. 38a articulo
16o. Ubi dicit quod de illicite acquisitis
ubi non transfertur dominium sed competit
repetitio ut etiam restitutio
non potest fieri beneficium seu
elemosina ut in usura. Hanc illam
hoc etiam determinative tenet
Gotfridus de Fontibus in uno
quolibet suo ubi predictam questionem
movet in forma et ad eam
2do dicit hanc questionem quod pe-
cunia usuraria non transfertur in
dominium et proprietatem usurarii
quam sic probat quia ad hoc quod
dominium alicuius rei transferat
in alium ex parte ex parte transfe-
rentis cum hoc quod habeat ius
et dominium in re quam vult
transferre quod etiam libera volun-
tate consentiat quod ius et do-
minium quod habet in re illa
transferat in eum cui dat. Ex parte
etiam recipientis requiritur quod
sit capax illius secundum illam rationem
ex qua rem recipit sed utrumque
deficit in translatione pecunie in
usurarium ergo et cetera. Probatur hoc primo
quia primo quantum ad illud quod
requiritur ex parte transferentis
quia ille qui transfert pecuniam
usurariam in usurarium non con-
sentit quod ipse habeat ius seu iustum
titulum et dominium in illa pe-
cunia sed consentit non libere et co-
pulsus ex pacto quod habeat nudam

possessionem illius pecunie nec in
plus consentit directe. Dico autem
directe quia ex quo scit quod usura-
rius illam pecuniam sic habito convertet
in usus suos et consumet con-
sentit indirecte in item cursionem
illius pecunie in usu usurarii et
in item consumptionem quia scilicet consentit
in antecedens ad quod hec sequitur ut sequitur
consentit estimat scilicet in traditionem
possessionis et ideo deficit illud quod est
ex parte transferentis quia non consen-
tit transferre dominium sed nudam
possessionem et in hoc non consentit
libere. Sed quamvis coacte propter
placitum in ore quantum ad illud quod
requiritur ex parte recipientis
quia rei mutuate non potest esse ca-
pax secundum quam aliquis est capax ac-
cipiendi ultra sortem pro mutuo quia
ex quo mutuum quantum ad domi-
nium et proprietatem transfertur in illum
cui sit mutuum eo quod in talibus re-
bus potest transferri usus quin transferatur
dominium cum usus talis rei sit
eius consumptio nichil de tali re
manet apud mutuantem quod
possit cadere sub precio sed usura-
rius recipit pecuniam usurariam
ultra sortem ut precium ipsius mutui
ergo usurarius recipit pecuniam
usurariam ex causa secundum quam
non est capax illius pecunie et
patet quantum ad utramque partem hoc.
Hec est sententia illius doctoris. Confirmatur
hec idem omne dominium alicuius
rei quod aliquis habet est potestas ha-
bendi illam rem in aliquo iure
fundata. Sed usurarius non habet
aliquam potestatem super re usuraria

recepta in aliquo iure fundata
tum non habeat eam iuste et
per consequens non conformatur iuri
sed contra ius et per consequens non illius rei do-
minium transfertur in illum qui per nullum
tempus rem illam licite et iuste
tanquam suam retinere potest sine consensu
alterius scilicet illius qui illam rem sibi
tradidit. Sed usurarius nullam
rem usurarie receptam lici-
te et iuste per aliquod tempus retinere
potest tanquam suam sine consensu alterius
scilicet illius a quo eam recepit eo
quod ille a quo recepit semper
eam tanquam suam repetere potest
et ille qui recepit eam reddere
tenetur tam iure poli quam naturali
et divino quam etiam iure fori
ecclesiastico et canonico et civili. Ad rationem autem
pro opinione contraria qua dicebatur quod omnis
voluntaria datio facit transferri
dominium. Dicendum secundum predictum doctorem
Gotfridum de Fontibus quod tradens talem
pecuniam licet consentiat volun-
tarie mixte non tamen plene
et libere nec consentit etiam
nisi in traditionem nude possessionis.
Ex hoc patet necessario esse illam rationem
qua dicit quod omnis datio volun-
tatis libera facit dominium transferri.
Nimis enim omnis datio volun-
tarie libere ubi dans consentit
invariate et mere libere in traditionem
rei non solum quo ad nudam possessionem
sed etiam quo ad hoc quod ille cui
tradit habeat ius seu iustum
titulum et dominium in illa
re facit transferre dominium.
Datio tamen talis qua dans non

partem quia de se non est. Sed
ante patet ex proposicione 2e conclusionis
predictis. Tercia quod de commercio
cum iudeis de quibus constat quod
solum de usuris vivunt multi

ista conclusio ex predictis apparet.
De multis qui eis vendunt

unt qui pro pecuniis eos curant
qui causas eorum pro pecuniis
defensant et precipue qui ipsos

dum reddunt et propter hoc seipsos ad

Quinta quod ab usurariis nichil
preter usuras lucratis quas tenentur
restituere illis a quibus receperunt
non est licitum pauperibus et clericis
elemosinas et oblaciones recipe
nisi forte in casu extreme neces
sitatis. Probatur quia si per tales oblaciones ul recepciones
elemosinarum ipsi usurarii effice
rentur impotentes ad solvendum
quibus debent igitur conclusio vera quia patet ex
predictis. Ante de se notum est
Secundo qui ab ipsis receperunt elemo
sinas et oblaciones tenentur
restituere ut ipsis usurariis ul illis
a quibus ipsi acceperunt. Sed
aut esset si usurarii haberent alia
bona preter usuras et dando elemo
sinas ul oblaciones faciendo non
efficerentur impotentes ad solven
dum. De oblacionibus tamen speciale
est quia oblaciones usurariorum
manifestorum nulla recipi a clericis
prohibet etiam in detestacionem
criminis ut ipsi usurarii ru
bore confusi desistant a peccatis
et etiam in signum quod eorum oblaciones
et munera non sunt accepta apud
deum. Contra primam conclusionem huius dubii et
contra secundam partem 2e conclusionis et con
dicta in aliis conclusionibus in prima
conclusione et in 2a parte 2e conclusionis fun
data autem. Iudei tenentur ad de
cimas personales ut patet in capitulo
de terris de decimis ubi dicitur de
terris quas iudei colunt tales
tibi cudemus ut eos ad decimas
solvendas ul possessiones penitus
renunciandas cum omni districcione
compellas ne forte ecclesie oc
casione illa valeat suo iuri
fraudari. Item sicut patet per glossam
16 q. prima decime super non nego
ciativo etiam de fure et rap
tore bonum petitur decima non racione
negociacionis sue quia illicita est
sed quia inveniunt in possessione
quam decima sequitur quelibet
sive iuden sive excommunicatum
ut de usuris capitulo de sancta ro
mana ecclesia alioquin esset
pro deo melioris condicionis quam bone
fidei possessor quod esse non debet
ut ff. de peticione hereditatis
Si a domino. Item iudei etiam si non
tenentur ad decimas personales
de male acquisitis dandas
proprie et stricte accipiendo de
cimas personales tamen ut dicit
Jo. andree in novella constitucionem
sententiam invenit esse quod perceptam causa
ecclesia a katholico iudei solvere
tenentur ut de usuris capitulo
ipsum. Et racio est quia non debent
esse melioris condicionis quam christiani
sed non solvendo decimas et ut
ecclesie consueverunt indempnes

Ex istis arguitur sic si ecclesia
recipit sum etiam de male ac-
quisitis aut non layci qui sua
vendunt recipent sum ab eis
quibus vendunt scilicet ab usurariis
maxime cum ipsi usurarii non te-
neant de tali ista vel istam
peccuniam restituere sed indeterminate
quandoque. Preterea enim non inheret
peccunie sed persone quia peccunia
non meret vel demeret sed
persona. Item licet conversari cum
iudeis in certis casibus expresse
prohibitum est christianis scilicet man-
ducare azima vocare ad inf-
irmos medicinam sumere ab eis
balneari cum eis et expresse
non prohibeat ut in capitulo
nullus et capitulo omnes que capi-
tula ponuntur 28 q prima. Item co-
medere et bibere cum eis ut in
glo. xi q 3a ad mensam et similiter
cohabitare et commorari iudeis in
domibus eorum ut de iudeis
et sarracenis capitulo iudei
et capitulo consuluit. Ergo in aliis in
quibus non est expresse iure pro-
hibitum christianos licere conversari
cum iudeis videtur esse concessum
quia omnia concessa intelliguntur que non
prohibita sunt expresse ut notatur
de translacione inter corporalia.
Sed cum iudeis mercari emere
et vendere non est christianis
expresse a iure prohibitum igitur
hoc videtur esse concessum. Item christianos
licere conversari cum iudeis eme-
ndo et vendendo scit ecclesia
et patitur nec prohibet ut videtur
comprobare. Item ecclesia permittit
eos nobiscum commorari propter

humanitatem et concedit eis multa
privilegia et prohibet ne molestentur
ut de iudeis capitulo Iudei preterea et
propter ista mera si quo modo possunt commo-
rari nobis nisi vendant eis
necessaria vite. Item licet quandoque propter
delictum iudeorum prohibentur
christiani licere conversari cum ipsis
solum una igitur cessante causa cum
cessabit effectus et erit licitum
conversari cum eis et per consequens licere
conversari cum ipsis emendo et
vendendo. Item licet usurarius
rem usurariam potest donare
vendere et cum mercari quia
res aliena licet non possit obli-
gari potest tamen vendi nescio domino
et potest alteri dari ut ff de contrahen-
da emp. et ve. C. Si in tempore
ymo si cum peccunia aliena emo
rem nomine meo proprio mea e-
res empta et non illius cuius
erat peccunia capitulo de reven-
di ex peccunia agitur in usurarius
licet teneatur ad restitucionem tamen
res emit cum peccunia usuraria etc.
Ad primum illorum respondetur concedendo quod
iudei tenentur ecclesie dare de-
cimas prediales de terris quas
colunt vel possident si quas habent
prout etiam tenentur ~~fenerees~~ fures
et latrones quia in talibus tenentur et
possessoribus etiam habet quod suum est
quo defraudari non debet
propter maliciam possessoris inius-
te possidentis. Unde non minus
debet habere illud quod suum est ab eo
qui possidet iniuste quam ab illo
qui possidet iuste. Et cum arguitur
ex hoc si etiam recipit sum
etiam de male acquisitis etc non
layci qui sua vendunt ab eis

quibus vendunt sua recipiet
Respondetur concedendo quod pari racione quod
ecclesia recipit sum de male
acquisitis ab illis quibus ve-
ndunt et hoc si in illis male acqui-
sitis ut apud illos quibus ve-
ndunt habent aliquid quod erit sum
sed in casibus quibus contingunt que
sit illa eo layci qui vendunt
sua iudeis vel aliis usurariis
nichil potest usura habentibus que te-
net in vito illo a quo recepit
ea non habent quod sum sit in rebus
possessis ab usurariis ut apud
usurarios igitur nichil iuste
et licite possunt recipere ab eis
pro suis que vendunt eis. Et
eodem modo videtur si fiat argumentum de
decimis personalibus et dato quod concedetur
quod iudei tenerentur ad istas de-
cimas quod tamen non concedere communiter
etiam a doctoribus iuris canonici
utitur glo. in capitulo de terris de decimis
dicente quod iudei quia non sunt de
corpore ecclesie non solvunt de-
cimas personales. Ubi tamen ad-
vertendum quod glo. illa et si quia
sunt solita dicta intelligi possunt
quod iudei non solvunt decimas
personales nec etiam de eis
recipere de illicitis eorum negocia-
cionibus et operibus de quibus sunt
contractus usurarii ut notum est
sed tamen iudei solvere deberent decimas
personales vel estimacionem servicii
esse quod etiam preceptum esset
a katholico cum aliqua licita et
honesta operantur de quibus lu-
crantur. Unde in capitulo de terris de
decimis dicitur de milicia de
negociacione et de artificio

reddere decimas. Item glo. 16 q
prima decime super non negociacione
quia vel numquam iudei dabunt persona-
les decimas videtur quod sic ut Extra de
decimis ad audienciam quod dicitur ibi
quod de omnibus proventibus dabunt
quod concedo. Item de omnibus que ex li-
cita causa habent dabunt de-
cime hec glo. Item glo. ibidem ideo
dico pro quascumque manus ambu-
lavit quod quilibet teneatur dare
decimam de lucro suo. Ad secundum
cum dicitur habere conversari cum
iudeis in certis casibus ex-
presse prohibitum est christianis in
in aliis non est iure prohibitum
christianos licere conversari cum iu-
deis ideo videtur esse concessum etc.
quod respondetur iure aliquo nobis ex-
presse concedit vel prohibet similiter
naturali divino et humano. Unde ergo
in articulo dicitur quod in casibus in
quibus non est expresse iure pro-
hibitum etc. Sed hic iure canonico tamen contra
per omnium iure naturali divino vel humano

intelliguntur esse prohibita quod hoc
videtur esse concessum et etiam
concedere quod cum iudeis mercari
emere et vendere non est christianis
expresse aliquo iure prohibitum
eo quod iudei sic deberent vivere
quod haberent bona iuste et licite
acquisita vel alias ad eos devo-
luta sic quod cum illis licite possunt

ad particulare aliquorum singularium
sententiam expressionum vel in sua ra-
dice generaliter dumtaxat scilicet prohibet
aliquod genus peccati in qua prohi-
bicione singula illius generis in-

dividua intelliguntur esse prohi-
bita loquendo de prohibicione
primo modo Ista causa non valet
xpianos habere commercium cum
iudeis emendo et vendendo
sit etiam et patitur nec prohi-
betur conprobatur Ista instancia
manifesta est de meretricio
et lupanaribus et de multis
casibus in quibus multa sunt illi-
cita non expresse permissa in
particulari prohibita ut patuit
in racione ad 12m precedentem
loquendo autem de prohibicione
2o modo dico quod xpianos habere
commercium emendo et vende-
do cum iudeis nichil preter usuras
habentibus prohibet etiam precipue
in casibus in quibus per tale commercium
iudeus redditur impotens ad
satisfaciendum illi cui ad resti-
tucionem tenetur illi eo quod prohibet
generaliter omnes iniustos proximi
offensiones et dampnificaciones qualis
fit illi cui restituenda est pe-
cunia usuraria quam recipit ven-
dens a deo et hoc quando iudeus
per hoc redditur impotens et cetera
namque talis dampnificacio proximi
utriusque testamenti scripturis
prohibita est sed quicquid scriptura
sacra prohibet Ad quartum etiam
permittit et hoc ideo quod dicit sed quan-
tum querit quo modo potest conmorari
nobiscum nisi vendatur eis necessaria
vite dico quod in conclusionibus pre-
dictis non est dictum quod non debeat
iudeis vendere necessaria vite
sed dictum est quod non debet eis
vendi necessaria vite et cetera pro
pecunia usuraria quando ex empcione
necessariorum predicti pecunia

erunt impotentes ad satis
faciendum illis quorum talis est
pecunia vel quibus tenentur
ad satisfaciendum de tali pecunia
Constat autem quod bene potest
nobilis cum eo morari sive hec quod
vendat eis vite necessaria pro
tali pecunia cum non debeant
hec item pecuniam nec de tali
vivere debeat sed de laboribus
vel de bonis consimiliter iuste
possessis seu habitis pro quibus
potest eis necessaria vite et pro
quibus christiani licite possunt
eis vendere necessaria vite
Ad quintum quod in de propter delictum
et dico breviter credo quod cessante
delicto iudeorum licitum est
christianis conversari cum ipsis
est habere commercium cum eis emen
do et vendendo sed in illis
iudeis qui nihil preter usuram
habent non cessat sed manet delictum
usurarum propter quod valde caven
dum est eorum commercium in emp
tionibus et venditionibus et
non solum in illis sed etiam in omnibus
suis consiliis et auxiliis
sustentationibus defensionibus
et favoribus et que ipsis im
pendunt vel promissis vel circa
ipsos fiunt pro mercede vel
remuneratione vel quocumque lucro
de pecunia usuraria eorum
proveniente Ad sextum cum dicitur
quod usurarius rem usurariam
potest donare vel vendere et
cetera loquendo absolute de posse
illud probabile non dubitat quando
usurarius rem usurariam potest
donare vendere et cum ea

mercari et de facto Si autem
loquimur de posse quo illud dicimus
posse quod iure possumus dico quod
usurarius rem usurariam non potest
donare alicui invito illo cui
eam vel equalens tenetur restituere
Nec etiam de iure potest eam illo
invito vendere nec cum ea mer
cari de iure et hoc in casu quo
per item donationem venditionem vel
mercationem efficitur impotens
ad satisfaciendum illi cui debet
fieri restitutio talis rei in se
vel equalenti Constat enim quod
in tali casu non potest rem cui nec
licite nec iuste dare nec licite
et iuste vendere vel cum ea
licite et iuste mercari igitur
non potest hoc facere iure quia quicquid
iure fit iuste fit et ad iniuste
fit nec iure fieri potest Nam iniusti
cia non est nec ius esse potest illud
tamen patet per Augustinum libro 19 de civitate di
ei ubi etiam ex hoc ostendit quod ubi
iusticia non est nec res publi
ca esse potest nec populus Unde hoc modo
res aliena sicut non potest obli
gari ita nec potest vendi nec alie
nari nescio domino vel invito eo
sive sit res mobilis sive immo
bilis de quarum utraque verum est
quod si vendit nescio domino aut
invito furtum committit Unde patet
quod usurarius rem usurariam invito
vel nescio domino scilicet illius cuius
est et cui debet fieri restitutio
donare potest et vendere et ven
dere et cum ea mercari de facto
sed non de iure nec contra quod probat lex
allegata ff de contrahenda emptione et
venditione vel rem alienam que loquitur

in hec verba rem alienam distrahere
et emere posse nulla dubitatio
est Nam emptio est et venditio
quod intelligendum est de facto quamvis
fieri non debeat de iure prout
manifeste patet ex fine legis Nam
immediate post predicta verba
legis subditur sed res emptori
auferri a domino potest hec ibi nam re
vera si valet emptio non posset
res auferri emptori a domino
hoc est ab illo cuius est res et
cui debet fieri restitutio illius rei
vel equalentis Item si emptio
illa valet iure tunc emptor per
illam emptionem fieret dominus rei emp
te et per consequens res ipsa non haberet
alium dominum a quo posset auferri
emptori cuius oppositum dicit lex
illa et quod quidem dicitur in articulo quod verba
predicte legis intelligi debent
de re mobili et cetera Contra quod hoc dicere
est contra glo. in parallela lege rem
alienam dicentem quod ipsa lex debet
intelligi de re immobili et non
mobili Nam in mobili facile furtum
committitur ut patet in lege si in empto
re Nam liberum hominem et item
quod talis emptio rei aliene de
facto teneat ita quod res empta
non auferretur sed permitti emptori
nisi dominus rei agat de illa hoc
est propter prejudicium vendentibus
scilicet ad illam non redeant et propter
favorem ementis ut ibidem
notatur scilicet circa predictam legem
in glo. Est intelligendum quando
emens bona fide emit Si autem
uterque sciret emens et
vendens rem esse alienam tunc
a neutra parte obligatio oriri
haberet ut patet in dicta lege

Et in emptione autem Item si emp
tor Quia autem sit eo dicit et
quare res aliena invito domino
potest vendi non obligari dicit glo.
parallela le. rem de contrahenda emp.
et ven. quia in pignoribus dicitur quod
constituta ei ius in re in obligatione
quadam quod facere non posset si res esset
aliena sed in venditione non
tenetur nisi quadam tradere
possessionem emptori et me per evic
tionem obligare et ita est
ius impar quod posset etiam in
re aliena ut ff de actionibus
empti et venditi le. ex empto
Item primo Ex quibus patet quod cum dicit
lex rem alienam obligari non
posse non generaliter in obligatione
pignorum dicitur quod ei cui fit obligatio
constituitur ius in re sed obligatio
quedam ratione cuius rem illam possit
distrahere nisi obligans eam
redimerit in termino sibi iudi
cialiter constituto vel constituendo quam
obligationem nullus facere potest de re
aliena Et hoc modo lex utitur
hoc vocabulo obligatio stricte
prout dicit obligationem que fuit
de iure non tamen illam que fit de
facto venditionem autem generaliter
accipit lex pro traditione possessionis
rei empte quam venditor tradit
emptori et se obligat pro
emptione ut scilicet si res emp
ta evincatur ab emptore iudici
aliter ab alio qui rem illam
dicit esse suam ipse venditor
teneatur ad interesse ut scilicet satis
faciat emptori et cum reddat
in duplum Et hoc modo venditio
extendit se non solum ad illam
